FCA Shares Christmas Cheer with Others Before the Holiday

Article by Lora Gahagan Eddy; Pictures by Jed Parreno

In order to get the students of Waccamaw in the Christmas spirit, FCA decided to hand out cups of hot chocolate and doughnuts on Wednesday, December 16th. That morning, FCA members gathered in Mrs. Tester's room at 7:10 to prepare the hot chocolate and station themselves at the entrances of the school. Volunteers stood at the front entrance, the bus loop, and the student parking lot with the hot chocolate and a wide selection of doughnuts donated by The Pawleys Island Bakery. When students arrived to school, they were able to receive a free cup of hot chocolate and a doughnut as a gift from FCA. To keep up the day's service, members of FCA traveled to St. Elizabeth's Place after school. They were able to enjoy fellowship with each other and with the residents. Thanks to all who helped to make these events a success!

FCA meets every Wednesday at 7:15am in the media center. All are welcome to attend!

This year's Economics teachers, Mr. Eddy and Mr. Streiffert, wanted to take a new approach to teaching about stocks and the stock market. Therefore, all of the Economics students participated in an online stock market game. This game resembles a real life situation where you can buy, sell, and short any American stock worth five dollars or more. The game began in October and lasted for three

months. Students either created teams or worked alone, and they competed against students throughout our school, South Carolina, and the country. Each group began with \$100,000 to spend as they wished. Waccamaw High School had a pair of students finish in 13th place out of 372 groups in the state with a total of \$109,281. Mr. Eddy's students, Trevor DeChamplain and Wade Meyers best investment was in Netflix stock. DeChamplain states, "I bought it at \$100.33 and sold it at \$123. By the end of the game I had made around \$8,000 on Netflix alone." Congratulations to

DeChamplain and Meyers on their success in the stock market game!

Challenging You to **Be** the Change

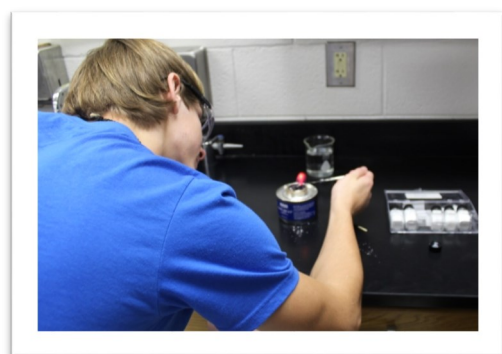

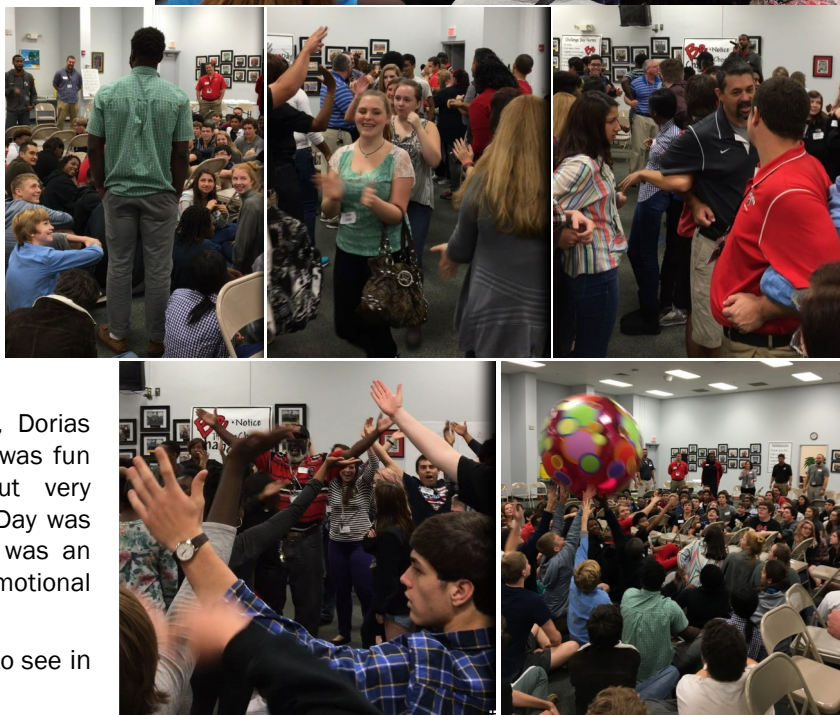

Information and pictures courtesy of Students and Staff

On Thursday, December 17th, Coach Quinn's Leadership classes and 27 adults were invited to participate in a one-day workshop called "Challenge Day" at the Beck Administration Center. Coach Quinn said, "I am happy that all of my leadership classes were able to attend because it gave them an opportunity to participate in a workshop that really helped them concentrate on the issues that really affect them during their lives both in and out of school."

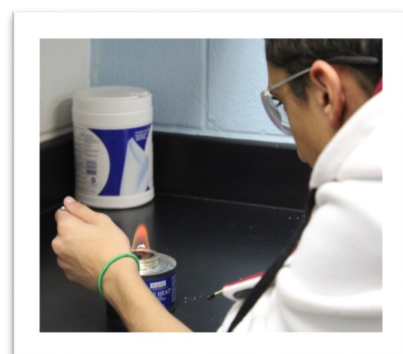

The purpose of Challenge Day is to bring everyone closer together as a school and community, to affect positive change, to understand the issues that everyone goes through, to listen, to be empathic, and to not judge. The vision of Challenge Day is "that every child lives in a world where they feel safe, loved, and celebrated."

The facilitators from the Challenge Day program, Dorias Brannon and Angela Aguilar, led a workshop that was fun and entertaining with dance and games, but very inspirational. Connor Heimberger said, "Challenge Day was an eye-opening experience for many people and was an opportunity to connect with classmates on an emotional level."

The group left inspired to "Be the Change you wish to see in the world, and challenge others to do the same."

FLAME TEST LAB

Article and pictures by Lyric Wigfall and LeeAnn Ray-Martina

On Tuesday, January 5th, Mrs. Hawkins' Chemistry class performed a flame test lab. Working in groups of three or four, they predicted the colors and descriptions of six different compounds before performing the lab. The students used a probe to get a sample of each compound to test their predictions. Distilled water was used rather than tap since it is more purified and would not affect the experiments' outcome. Each compound sample was put over a Bunsen burner separately to see the reaction caused by the various compounds. Throughout the experiment, a chemical change occurred that would show the result of the actual color produced. The students observed that chemicals that have the same color substance can have a variety of colored flames.

Article by Berkley Lane

Last week, the girls and boys varsity basketball teams faced the Socastee Braves and the St. James Sharks. On Tuesday, January 5th, the Braves traveled to Waccamaw and defeated the Lady Warriors 42-19. The boys team also fell to the Braves with a final score of 53-44. Justin Busby was the lead scorer for the Warriors with 18 points.

On Thursday, January 7th, the varsity girls were at home against St. James. It was a close game but ultimately St. James took the win 38-34.

On Friday, January 8th, the varsity boys traveled to St. James, hoping to capture another win against the Sharks. The two teams took turns trailing each other in every quarter and by halftime, it was tied 17-17. By the end of the third, the Warriors were trailing 32-34. The fourth quarter continued to go back and forth and in the end, the Warriors lost by one with a final score of 45-46.

Although a few tough losses for the boys and girls varsity teams, they geared up for region games which began last night, Tuesday, January 12th, against Mullins.

Wrestling Update

Article and pictures By E-P Vermont

On Wednesday, January 6th, Waccamaw wrestling started 2016 by hosting wrestling matches against 3A Marion and 4A Conway. Junior Jack Cook had a great night pinning each of his opponents and sophomore Jackson Clemons pinned his Conway opponent to secure

points for Waccamaw. The Warriors fought diligently, but ultimately lost 6-74 against Marion and 36-45 against Conway.

On Saturday, January 9th, Waccamaw competed in the Myrtle Beach Invitational at Myrtle Beach High against schools from South Carolina, North Carolina, and Virginia. The Warriors won against Marion VA and Lake City but were defeated by Aynor, Marion, and St. James. Top performers so far are captains Alonzo Trent 16-4 and Jack Cook 16-4. Other Warriors with winning records are Will Moree 9-4, Jackson Clemons 12-8, Joseph Gullo 10-9, and Preston Janco 11-9. The team's current record is 10-10 for the season.

On Thursday, January 14th, Waccamaw will travel to Aynor to wrestle Aynor and Loris and on Saturday, January 16th, they will compete in the Horry County Championship at Socastee. Good luck, Warriors!
