ANATOMY PROJECTS- SYSTEMS OF THE HUMAN BODY

By Tucker Thaggard
Pictures by Thaggard and Ms. Stephenson

Last week in Ms. Stephenson's and Ms. King's Anatomy classes, students were assigned a project where they had to pick three systems of the human body and create models for them. The students were given time out of class to complete their projects. The purpose of the project was to teach the parts of the different body systems, how each one functions normally, and how they are interconnected with each other. Many students also presented some of the more interesting pathology (disease) associated with the systems. The students had to present their projects to the class with PowerPoints accompanying them. Some students wore their projects while others did posters and diagrams. Some projects focused on the more humorous aspect of anatomy and others the more formal. Overall the projects were informative and creative; the students did a great job of presenting them.

Alex Sanders Wins People's Choice Award

By Georgia Anne Mattar, picture courtesy of Ms. Becky Sanders

Last Saturday, September 24th, WHS senior Alex Sanders won the People's Choice Award in the 17 and older age division at the Pawleys Island Festival of Music and Art 7th Annual Chalk Walk contest. She received a cash prize of \$225. Sanders drew a lion on a 6 x 6 ft. square of concrete using only sidewalk chalk and a photo. It took her 3 1/2 hours to complete her artwork. Sanders always enjoyed art and began to get serious about it when she was in Art 1 her sophomore year, but this was her first chalk walk art contest. "I haven't touched sidewalk chalk since I was a

little girl playing in my driveway," said Sanders. In her 8th grade year, Sanders placed in the Georgetown County holiday card contest and in the 10th grade placed 3rd in the two-dimensional category at the Superintendent's Art Show. This year, Sanders plans on joining Waccamaw's Art Club and hopefully getting involved in the National Art Honor Society. When she goes off to college next fall, she would like to major in Marketing and minor in Art. Sanders says, "I'm very honored that people think so highly of my God-given talent and I would like to use that talent for positive things in the future." Amazing artwork, Sanders!

So Close, But Another Loss for Waccamaw

By Brecken Fox, Photo courtesy of Chris Sokoloski-News & Sports Writer, South Strand News

The WHS Varsity Football team was defeated 19-15 last Friday night, Sept. 23rd at Hannah-Pamplico. The Warriors came out strong, with Antrix Green scoring the first touchdown of the game to go ahead 8-0. Hannah-Pamplico responded by putting up 10 points in the second quarter, making the score 10-8 at the half. Jordan Marshall had an interception to start the second half, which was one of four Hannah-Pamplico turnovers in the second half. Following the interception, LaDarius Taylor gave the Warriors a 15-10 lead by running in the ball for a touchdown in the third quarter. Hannah-Pamplico proceeded to throw another interception,

this one was caught by Tyree Funnyc. That Warrior drive resulted in a safety, as Dominic Gullo was brought down in the end zone and Hannah-Pamplico cut the lead to 3. Hannah-Pamplico came through on their final drive, scoring the winning touchdown with 46 seconds left in the game.
