On Friday, April 8th, the much anticipated, "A Red Carpet Affair" themed prom was held at Heritage Plantation. After spending the afternoon getting ready and taking pictures, students gradually filed into the event with seniors placing their final vote for prom king and queen upon arrival. At 10:15pm, the prom court was announced. Larshaun Sessions and Jessica Preedom were named the 2016 Prom King and Queen! Congratulations! The prom king and queen high-fived and celebrated the honor of being chosen king and queen as they danced. It was a magical night and another very successful Warrior prom.

Special thanks to DJ Ryan Neal, owner of Party on Wheels Entertainment Live, Greenskeeper Florist for creating the Queen's bouquet, Christopher's Fine Jewelry for the special price on the Queen's tiara, Coleen Welch from Plantation Printing for helping create the complimentary prom t-shirts given to the students, and Ellen Jacobs of Heritage Plantation for letting Waccamaw host the magical night there! And a huge thank you to Mrs. Tester and Mrs. Griffin, our prom sponsors, and the Prom Committee.

****A sign-up sheet is outside Mrs. Tester's door and Mrs. Griffin's door for those who attended the prom but did not get a t-shirt. On the sign-up sheet, write in your name, grade, and shirt size. Sign up by next Monday, April 18th.**
