BOYS TENNIS RECLAIMS STATE CHAMPIONSHIP TITLE

By Karina Kostova, picture courtesy of the Athletic Booster Club Facebook page

On Saturday, May 17th, the boys' tennis team traveled to Columbia, SC to compete against arch rival Christ Church for the Class AA State Championship. The boys knew they had to bring their 'A' game in order to defeat Christ Church and win back the state championship that they lost last year to the same Christ Church team. Waccamaw defeated Christ Church 5-2. The Warriors claimed

three of the five singles matches with Paul Hendrix winning 6-2, 6-1; Joey Hewes coming from behind in the second set to win 6-4, 7-5; and Jaz Greene losing, but soon reversed the momentum of the match and prevailed 6-4, 3-6, 10-6. In doubles, Paul Hendrix and Justin Dunn, as well as Parker Brinson and Woodrow Tudor, won their matches against Christ Church. It was Brinson and Tudor who struck the deciding blow, dominating their opponents in a well executed match by the score of 6-3, 6-1. Coach Hunt stated, "The dynamic duo punctuated their critical win with a jumping "chest bump" that would have made the Bryan Brothers proud." Winning the state championship was a huge accomplishment for the tennis team, who have been working extremely hard all season. Waccamaw won the state title in 2007, 2008, 2009, 2010, 2012, and this year. Congratulations to Coach Hunt and the boys tennis team.

Picture provided by Coach Daily

On Monday and Tuesday of this week, the golf team competed in the Class AA State Championship at the par 72 Indian River Golf Club in West Columbia, SC. Waccamaw came in 2nd place, 17 points behind Bishop England.

Monday was a tough day for Waccamaw with difficult pin placement and gusty winds. The team finished the day 22 shots back of the lead, but had a comfortable 13 shot lead over third place. Day one individual scores were: Adam Wooldridge 77, Davis Hogan 79, Will Canipe 82, Patrick Golden 85, and Jackson Cole 83.

On Tuesday, Waccamaw rallied back. Coach Daily said, "The Warriors knew they needed to do something special to get back into the

I feel like everyone was proud of what they did on stage, which is the ultimate goal in performing." Congratulations on an excellent performance.

BANDS MAKE HER DANCE

By Jed Parreno and Hannah Wolf, picture courtesy of Mr. Raymond Elling

On Tuesday, May 20th, the Waccamaw Concert Band played their last concert of the year. The Honor Band started the night off by playing the first few measures of "The Lion King" while Mr. Graham held up his new baby girl, Shelby, imitating the famous Lion King scene. The band played five pieces: "John Williams Sound Track Highlights" arranged by John William which featured music from Harry Potter and the Sorcerer's Stone; "Bond...James Bond" arranged by Stephen Bulla which consisted of various songs from the James Bond films; "Music from the Incredibles" with music by Michael Giacchino, arranged by Jay Bocook; "Man of La Mancha" arranged by Justin Williams, words by Joe Darion, and music by Mitch Leigh; and finally, "Pie in the Face Polka" arranged by Johnnie Vinson with music by Henry Mancini.

After the music portion of the concert, the band recognized the seniors for their accomplishments throughout their high school career. Every senior was given a speech by an underclassman expressing their love and gratitude for their graduating friends. After each speech, the senior student was given a rose, a plaque, and a pink band cord.

The last two awards of the night were given to Band Captain Tyler Elling and Drum Major Mary Sinclair Filchak. Elling received the Louis Armstrong Award while Filchak received the John Philip Sousa Award. Every school is only given one of each award for the band director to give to the most deserving band students.

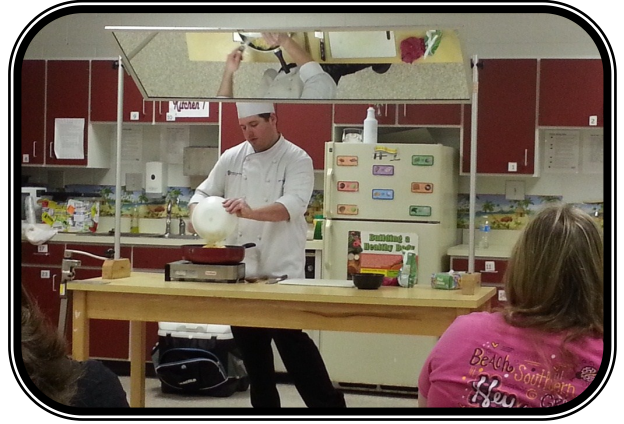

Congratulations on an amazing final concert, Waccamaw Concert Band!

Johnson and Wales Visit

By Jamie McNair

Last Thursday, May 15th, Ms. Hossa's Life Management and Foods and Nutrition classes were visited by Austin Vennetti, a graduate from Johnson and Wales University. He discussed with the students the various opportunities available at the university. Students learned that Johnson and Wales is much more than just a culinary school and that, because it is a private university, there are many scholarships available to help offset the cost of tuition. Mr. Vennetti explained how he ended up at Johnson and Wales and talked about the places he has had the opportunity to cook at. He also conducted a cooking demo, making Pasta Alla Carbonara for the students to try. (See recipe on pg. 8)

THE SPEECH TEAM TAKES ON MINNESOTA

Article by Kenzie Confer

On Thursday, May 8th, Amani Huell, Kenzie Confer, and Coach Ree Lawson of the Waccamaw Windtalkers drove to the Myrtle Beach airport at five in the morning to catch a flight to Charlotte, NC bound for Minnesota. After a day of traveling, the three enjoyed a quiet night of practice before competing in the National Individual Events Tournament of Champions (NIETOC) that began Friday afternoon at Gustavus Adolphus University in St. Peters.

Huell and Confer faced the best competitors from across the nation in four rounds of Drama and Original Oratory, respectively. Results for those advancing to the semi-final rounds were posted online around 11:30pm Friday night. Unfortunately, Huell and Confer did not advance in their events, so on Saturday morning the pair signed up to compete in the Poetry category of consolation events. They spent Sunday morning watching final rounds supporting the only other two South Carolina competitors at NIETOC.

Sunday evening was spent enjoying a wonderful original production of "Bandara." The show left Lawson, Huell, and Confer with in-depth, thought-provoking conversation. After an exhausting weekend, the trio left the hotel at 3am to catch their flight back to Myrtle Beach. When asked about her experience competing at NIETOC Huell said, "It was a learning experience more than anything. I missed a lot of school and fell very behind on my work, but it was worth it. I would do it again."

Enthralled Major

By Matt Lee, picture by Mrs. Laura Hutto

Aspiring songwriter and artist Will Ness is releasing his first EP, Enthralled Major, on May 29th. Ness is a senior at Waccamaw and will be attending Belmont University's songwriting program in the fall. Will is currently the lead singer of his band, Project Nine; the band includes: friends Elias Greene and Travis Byrd along with freshman Bryson Grove. Will is also working on his own album, Oceans, which he has put together with Bryson and their studio artist Morgan Kelley. Oceans is set to be released sometime during the summer, but Ness is releasing the EP to get everyone excited about the album. Seniors will be receiving the EP for free, while underclassmen can get it for \$4. Ness stated that the album and EP have no real genre restraints and he has just tried to play whatever he felt like, not conforming to any certain scene. His two biggest inspirations in this endeavor have been John Mayer and Frank Ocean. After the release of Enthralled Major, Will is set to play at the PIT on June 4th for Mattie Wyndham's fundraiser and in Georgetown on June 20th for the Music

In The Park festival. When asked what advice he would give to any other aspiring artists, Will responded, "You have to be willing to work, you have to believe in yourself, and you have to not care what others think or say about what you want to do. You have to just keep working on your craft and doing what you love." Don't forget to pick up your copy on the 29th of May.

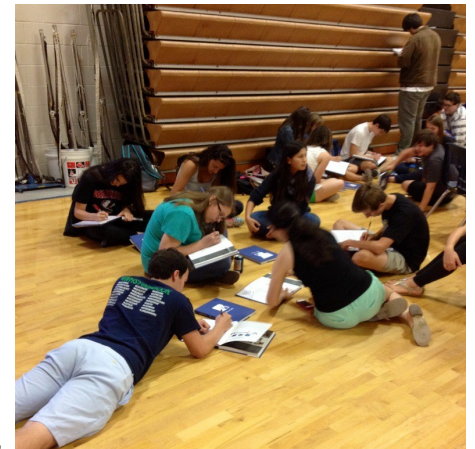

Yearbook Signing Party

Pictures and article by Hannah Wolf

On Friday, May 16th, the Waccamaw High School yearbook staff held their annual yearbook signing party. In order to be admitted to the party, students had to buy tickets to the party from anyone on the yearbook staff. Everyone who attended the party spent the hour signing each others' yearbooks, writing their final send-offs to their closest friends. The yearbook staff set up two games of Corn Hole, a Cake Walk, a slide show featuring highlights from the school year, and had a playlist running with some upbeat music to get everybody in a partying mood. The concession stand was also open, selling popcorn, sodas, bottled water, and various candies.

One of the most noticeable features of the signing party was the table featuring a yearbook in honor of Cameron Ahalt. Since this would have been Cameron's senior year, the book was set out for seniors to sign and write heartfelt messages to their friend who they lost years ago. The book was delivered to Cameron's parents so they could read all of the notes written by the senior class. The yearbook also featured a senior ad in his memory.

Congratulations to the yearbook staff on another successful signing party and a great yearbook.

Helicopter Demo For WASA

Article written by Mr. Pritchard, WASA Sponsor
 Pictures by Mrs. Rachel Clark and Ian Kelly

Freshman Maston Clark wanted his friend Holden to meet WASA and demonstrate his skills with RC helicopters. Holden, 17 years old, is a home-schooled student who impressed WASA with fantastic flying skills; maneuvering effortlessly as he flew his helicopter upside down, right side up, tilted to the side, and high in the sky during WASA's regular Monday meeting. Holden brought two helicopters to Waccamaw High's softball field. One of the helicopters was an electric flyer and cost around \$1,500.00; the

other helicopter was a gas operated helicopter operating on Nitro gas fuel. It cost around \$2,700.00 and could maneuver well too. Holden has been involved with remote controlled airplanes, boats, and helicopters for years. He enjoyed his visit to WASA and plans to return and work with the club. Mr. Pritchard said, "Holden is one of the best RC flyers I have ever seen."

PAUL HENDRIX IS STATE SINGLES TENNIS TOURNAMENT CHAMPION

Article by Coach Hunt

Coming off a state championship, three players, Paul Hendrix, Justin Dunn, and Joey Hewes competed in the State Singles Tennis Tournament in Columbia on Monday, May 19th. Congratulations to Hendrix who went undefeated clinching his second championship in a row with a 6-1, 6-7, 10-1 victory over the No. 1 player from Bishop England. Dunn won his first match in the winners bracket, but lost his second match to the No. 2 player from St. Joseph's. In the consolation bracket he again won his first match, but lost in the consolation finals to a player from Christ Church, placing 6th overall. Hewes drew the No. 3 seed in the tournament for his first match, played valiantly, but lost in the first round. He then won his first consolation match, but then lost to the consolation bracket winner 8-5.

tournament and push for the title." Senior Adam Wooldridge had a great back nine that was pivotal to keeping the team rolling. He sunk a 20-foot birdie on the 13th, sunk a 35-foot eagle putt on the 15th, and sunk a 10-foot birdie on the 16th to finish up the day with an even par 72. Individual scores for WHS were: Adam Wooldridge 72, Davis Hogan 77, Will Canipe 77, Patrick Golden 79, and Jackson Cole 85. Overall the team played a solid round posting the lowest team score of the day by 5 shots. Unfortunately, it wasn't enough to overcome the deficit from Monday.

After all individual scores were posted on day two, Wooldridge found himself in a 4-way tie for the Individual Medalist Honors against two players from Bishop England and a player from Saluda. It only took one hole to determine the Individual Medalist Honors after they went in to a sudden-death playoff. Jamie Wilson of Bishop England birdied the hole to win. Wooldridge made an outstanding effort with a 65-foot chip coming within inches of a birdie. He finished as the Individual Medalist Honors runner-up.

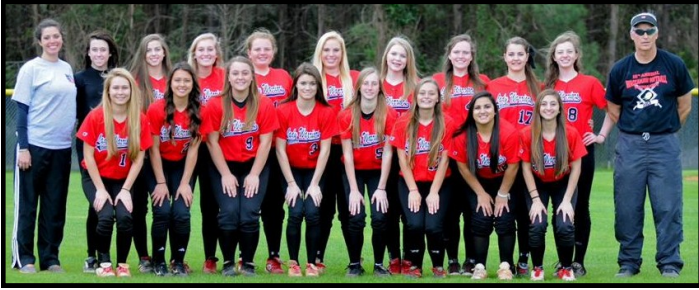

Adam Wooldridge and Davis Hogan were named to the Class AA All-State team.

Congratulations to Coach Daily and the boys' golf team on an outstanding season.

WARRIOR SOFTBALL IS LOWER STATE RUNNERS-UP

By Jordan McNair, Picture courtesy of Athletic Booster Club Facebook Page

On Friday, May 16th, the Lady Warrior softball team played Dillon at home for the Lower State title. The Wildcats were required to win two games because of the Warriors' undefeated record in the playoffs. In the first game, because of a few mistakes, Waccamaw was defeated 8-5. Leading hitters were: Emily Heimberger who was 3-for-4 with two RBIs and Isabel

Sanchez who was 2-for-4 with two RBIs. In the intense second game, the Warriors struggled, ending in an unfortunate score of 2-12. The leading hitter was McKenzie Lugin with a 2-run double. Coach Streiffert said, "Dillon was just a little better than we were tonight and deserved to win. I am very proud of our team and we played with a lot of heart all season!" The Warriors finished the season with a record of 25-9. The team had an amazing 17-game winning streak until the Lower State Championship, where their 18th consecutive game was taken. The Warriors had a great season, and they won the 4th most amount of games in Waccamaw history. WHS softball ended their season as District and Waccamaw Invitational Champs. Congratulations on a great record and a great season, Warriors!

A special congratulations to Emily Heimberger who was named to the Class AA All-State team for the third consecutive season.

Season Ends for the Girls and Boys Soccer Teams in the Playoffs

By Lyric Wigfall
Pictures courtesy of the Athletic Booster Facebook Page

Last Friday, May 16th, the varsity girls' soccer team watched their dreams of a possible Lower State title drift away. The team had to defeat Bishop England to advance; it looked promising at halftime with Waccamaw leading 1-0. However, Bishop England came back in the second half and put two goals in the net to take the win. It was a tough loss for Waccamaw and the team ended their season 11-10 overall, 6-0 in conference.

The varsity boys' soccer team had a change in schedule last week when rain moved their 2nd round of playoffs to Friday, May 16th against Silver Bluff. The delay did not deter Waccamaw as they defeated their opponent 4-1 taking them one step closer to a Lower State title.

Less than 24 hours and the boys' soccer team was back on the field battling for a place in the Lower State Championship. Even though they had a disadvantage with some injured players, the team worked together to overcome the obstacles. With Blake Marsh scoring two goals and Carson Stecz having two assists, Waccamaw was able to shut out Wade Hampton 2-0, advancing them to the Lower State Championship.

On Tuesday, May 20th, the team played No. 1 seed Academic Magnet for the Lower State Championship. Academic Magnet scored two goals early in the game taking a 2-0 lead. The teams battled it out, but Waccamaw was never able to get in the net. Waccamaw saw their hopes of a Lower State title slip away. Waccamaw ended their season 19-4 overall, 9-1 in conference.

Congratulations to both the girls' and boys' soccer teams on an awesome season!
