# Chamber Choir

Jules Steffen

Last week, the Waccamaw Wildcat Chamber Choir competed at the State Choir Festival in Columbia, SC. They received an Excellent rating in every category, and were only one point below a Superior, the highest rating.

To prepare for the Festival the choir had to work diligently during class time, memorizing the words, remembering the right time to apply accents, and following the directions of the conductor, Mr. Drew Trautman. All the hard work payed of in the end when they only made a few jittery mistakes.

Before the competition, the students had a long bus ride--three hours to be exact! Most of that time was spent chatting with friends and listening to music. The bus stopped at a park where students could eat outside and admire nature. Later, the Chamber Choir participants stopped at Chick-fil-A. A long bus ride delivered happy, but tired children back to Pawleys Island, SC.

# Sail Team Offers Eighth Grade Sailing Initiative

Provided by Michael Benton

**8<sup>th</sup> grader Ella Smith and 10<sup>th</sup> grader Victoria Marinoff during practice on April 19, 2016**

**Waccamaw sailors during the Oriental Open Regatta held in April 2016 in Oriental, NC**

The Waccamaw Sailing Club will have its second year of the Eighth Grade Sailing Initiative. This May, we will be inviting interested eighth graders from Waccamaw Middle School to join us on the water and introduce them to the sailing world. It looks like we will be having Ms. Emily Livingston to coach the sailors again this year along with several sailing team members. Emily is a life long sailor with many accomplishments on and off of the water.

There will be a parent meeting in the Waccamaw Middle School Media Center on Wednesday, May 4, 2016, at 6:00 p.m. for all interested parents and sailors. We will explain the program and provide additional information regarding requirements, fees, and structure. Sailing will begin on May 10 and conclude on May 26, 2016. There will be two sessions per week for a total of six sessions. Please come out and discover more about this unique sailing program.

# Sail Team Places 4th in SAISA Open, 13th for Season

Summary of WMS Newsletter Article

Congratulations to the Warrior Sailing Team on their 4th place finish in the first SAISA Open in Oriental, NC!

WMS student, Ella Smith, along with high school students Noah Benton, Victoria Marinoff, and Anna Sandor, waited through high winds all day Saturday to finally be able to race on Sunday.

Clay Register joined the group and saved the day so that they could compete. Winds dropped to a much more manageable 8-10 knot range, and a course was set for the Neuse River. Five races were held with a combined fleet and the "A" Fleet finished third with 19 points. The B"B Fleet finished 4th with 36 points, giving the Warriors a combined score of 55 points for an overall fourth place win.

The Warriors finished the year in 13th place for SAISA North District out of 32 teams. The team will continue to practice in preparation for the summer sailing in which some team members will participate.

# B-Team Baseball vs. Georgetown—April 9, 2016

SpiritGamble

On April 9, 2016, the Waccamaw B-Team Baseball team played Georgetown in a riveting game. Waccamaw started off strong, scoring five runs in the first inning. They played hard and it paid off when they won with a score of 13-5.

Though they are outstanding players, most are modest and have high expectations for themselves and the team. When asked about how he felt about the game, pitcher, Shaw Keough replied, "We did good, but we could have done better." Keough and the team always bring their A-game, win or lose.

# B-Team Baseball vs. Loris—April 11, 2016

Ellison Kate Fox

On April 11, 2016, the B-Team Baseball team played against Loris at home. After playing very well and working together, the team won 12-3!

Eighth grader, Ryon Fox said, "During the game, we tried our hardest as a team. We knew that this game might be easier than others, but we still worked together and showed the other team what we were made of. As a result, we ended up winning and the team was very happy!"

# WMS Lacrosse

## Spirit Gamble

The JV Lacrosse game against Carolina Forest on April 11, 2016, was tiring for both the players and the spectators. At 5:00 pm, the scheduled time for the game to start, the Carolina Forest team was no where to be seen. Finally, after an hour wait, the Panthers showed up.

Due to the delay, the game was split into two fifteen minute halves instead of the usual four ten minute quarters. In the first few minutes of the game, Carolina Forest scored the first two goals, but the Waccamaw boys didn't give up. They also scored a goal. Unfortunately, the Waccamaw team lost with a final score of 6-1.

## Molly Kelso

At their final game of the season, the boys JV Lacrosse Team lost 4-1. The boys tried hard all season long to achieve their goals, and even though they didn't have an undefeated season, they still grew as a team.

Eighth grader Davey von Achen stated "We didn't achieve our goals because some people had difficulty with passes and catches due to so much adrenalin. They often made the shot before they thought they did!" The teams only point scored was by high schooler Liam Sullivan during the first quarter of the game.

# Color Run, April 16, 2016

On Saturday, April 16, 2016, WMS held its first annual Color Run. To participate in the Color Run, students either had to raise a minimum of 30 dollars or pay 30 dollars at registration on the day of the race.

The run was a 5k which was equivalent to 3.2 miles. As participants ran, volunteers threw colored dye at them and at the water stations they were "attacked" while drinking water.

In the beginning and end there were big color parties. Emma Grace stated, "I had so much fun at the Color Run and I can't wait to do it with my friends again next year." We are looking forward to learning the total proceeds for this event.

# Softball @ Loris—April 11, 2016

Sarah Bankert

The Waccamaw Warriors Junior Varsity Softball Team played their last game of the season on Monday, April 11, 2016, at Loris High School. They lost in overtime with a score of 14-13.

"We played our hardest, but ended up letting the game slip away. We let balls get through our legs and throws were over heads. We could have won if we communicated better."

The girls ended their season with 4 wins and 6 losses. "I hope to continue to play with these great girls," commented seventh grader Emma Grace.

# Tennis vs. Mullins—April 14, 2016

Peyton Buzzell

On April 14, 2016, the WMS/WHS JV Tennis Team played a game against Mullins. The team won 7-0, and the players were very excited that they conquered Mullins.

"This was one of our easier games that we had to play. I was very happy for our team," exclaimed Coach Lynn Hunt. Player Will Tiller said, "I was so proud of my team. We played our best game of the season that day."

Congratulations to the WMS/WHS JV Tennis Team!

# Golf vs. Socastee—April 14, 2016

Rebecca Barnes--Parent Reporter

In March, the JV Golf Team, won their first match against Low Country Preparatory School at Litchfield Country Club, followed by a third place finish at the Bengal Invite in Columbia, SC.

On April 4, 2016, the boys finished over Aynor at True Blue.

Upcoming matches and tournaments include:

- May 3, 2016 Waccamaw JV Golf travels to Diamondback Golf Club to face Aynor and Loris
- May 4, 2016 (tentative) Waccamaw JV Golf hosts Marion at Caledonia.

# Girls' Soccer vs Boys' Soccer—April 14, 2016

Sydney Baker

The Boys' JV Soccer Team had a scrimmage against the Girls' JV Soccer Team. They played just for fun, but the boys won 5-0.

As Boys' JV Soccer player, Alex Gauthier said, "We wanted to play the girls because we thought it would be fun to see who would win, since we are both JV Soccer teams."

## WORLD'S GREATEST APRIL FOOLS TRICKS!

On April 1, 2014, the Facebook page for National Public Radio linked to a story with the headline, "Why Doesn't America Read Anymore?" Thousands of people posted comments, taking all sorts of positions on the problem. But it was an April Fool's prank -- there was no such actual story at the link. Which kind of showed that Americans don't read anymore!

See the back page for more all-time great pranks!
