Principal's Report

Student Agendas/Planners for the 2016-2017 school year need to be ordered soon. PTO Board members agreed to this expenditure of approximately \$2000.00. LME will celebrate Read Across America next week. Family Night will also be held next week, focusing on sharing the components of The Leader In Me model. A representative from Boosterthon contacted Mrs. Mack regarding the Boosterthon Fun Run Fundraiser. PTO Board members requested that Mrs. Mack invite the representative to the March 21 meeting. Funding from the District's Office of Student Nutrition paid for murals to enhance the school cafeteria. The District is purchasing Sound Reduction curtains for the school auditorium.

Unfinished Business

- **School Sign-** Plans are still in place to install lighting and brickwork around the school sign. The brick mason is working on a price quote for this project. The district will install lighting after the brickwork is completed. Rainfall and cold temperatures have delayed this project.
- **LME Auditorium Acoustics, Sound System, and Projector-** Michael Geddings and Shaun Cutler from Integrated Media reviewed their proposal for a Complete Sound System for the LME Auditorium. PTO discussed reducing the total cost of this project by eliminating televisions included in the proposal. The District will install electricity and wiring when the system is installed. The PTO Board would like to complete this project in the Fall of 2016, after Fall Fundraising profits are received. PTO Board will get proposals from additional vendors for this project.
