Notes

Club Day is Friday. This means our schedule changes slightly. Lunch will be at 10:30 on this day.

Leader In Me Review of HABITS learned so far (1-4). We

will see how characters in books we read use the Habits we have learned or how the Habits could have helped them. We will also be working in our Leadership Binders. We have been charting how many books we are reading. Remember to keep track of that at home so we can add those to our binders!
