

# Fourth Grade's Weekly Forecast...

Just like the weather, it can change at a moment's notice! Please, check planners daily!

## The Week of September 5 - 12, 2018

### The 7 Habits: "Captains of Leadership"

Ask your child about their homeroom's mission statement. Which line is their favorite? Why?

#### Reading Logs & Padlet:

We would like students to continue tracking the books they are reading on their Reading Logs, both at home and at school. It is **VERY** important that students read **20 minutes** each day.

If you have not already done so, please also click below on your child's homeroom to see their "Reading 101 Padlet" website. The password is "wildcats2018". Read the topic listed at the top, and then share on our Padlet walls both pictures and words of what you and your child are reading.
