

Fourth Grade's Weekly Forecast...

Just like the weather, it can change at a moment's notice! Please, check planners daily!

The Week of September 5 - 12, 2018

The 7 Habits:

"Captains of Leadership"

This week our classes talked about "choose your weather" - our ability to choose our mood and attitude regardless of circumstances around us. Ask your child, "What does 'choose your weather' mean to you?" Why?

Reading Logs:

We would like students to continue tracking the books they are reading on their Reading Logs, both at home and at school. It is **VERY** important that students read **20 minutes** each day.

Reading/Writing

- Grammar: Week 3 and 4
- Reading Workshop:
 - Reading Workshop
 - The Tiger Rising
 - Students will have an upcoming graded assignment based on what we are reading together in class. Check planners for upcoming dates!
- Writing Workshop: Narratives
 - Students will begin creating a biography poem about themselves.
