

LITTLE MOUNTAIN ELEMENTARY

December Newsletter for Parents & Students

The faculty and staff at LME will prepare responsible leaders and motivated learners who contribute to our school and community.

We will do this by working as a team to live, model, and teach the 8 Habits.

REMINDERS AND UPCOMING EVENTS...

School will dismiss at 11:00 on Friday, December 21.

- Lunch **will not** be served.
- Boys and Girls Club will remain open until 6:30.
- Students staying in the after school program will need to bring a bag lunch from home.

LIGHTHOUSE SCHOOL

TITLE ONE

Leaders on the Deck

During the month of October, the faculty, staff, and students concentrated on Habit #2, Begin with the End in Mind. For the students, Habit #2 means that they plan ahead and set goals. They do things that have meaning and make a difference. They are an important part of their classroom and look for ways to be good citizens.

These young leaders were selected by their homeroom teachers for their leadership skills and commendable actions. We are very proud to recognize the students pictured as true Leaders on the Deck for Habit #2.

DECEMBER LIGHTHOUSE NEWS

Supporting The Leader in Me Initiative

By: Dr. John & Jane Covey

Community Volunteerism

During the holiday season, many families look for ways to help others in need. If your family's time is limited, consider just one or two projects a year and make them a family tradition (for example, making and donating gift baskets to care facilities for the elderly around the holidays).

What can children learn from volunteering?

- A sense of responsibility—children learn about commitment, to be on time, do their best, and be proud of the results.
- One person, one family can make a difference—children learn that they and their family can have an impact on someone or something else.
- The benefit of sacrifice—children learn that there are important things besides themselves.
- Cooperation and unity—children learn that working together as a family can unite the family and that two heads are better than one.
- Job skills—children learn about fields that may help them decide on future careers.
- How to fill idle time wisely—children learn to use time to help others.

Ultimately, children learn that we're all responsible for the well-being of our communities. Whatever community service you choose, your community and your family will benefit.

FROM THE SCHOOL NURSE...

Illness Reminder:

We need your help to reduce the spread of germs! By working together and taking precautions, we can help to minimize the impact of any illness that can be spread to others.

Please be reminded of the following:

- Wash hands often with soap and water for 20 seconds.
- Avoid touching eyes, nose, and mouth with unwashed hands.
- Avoid kissing, hugging, and sharing cups or eating utensils with people who are sick.
- Disinfect frequently touched surfaces, such as toys and doorknobs, especially if someone is sick.
- **Stay home when feeling sick, and obtain consultation from your health care provider.**
- Keep sick children at home for at least 24 hours after they no longer have vomiting or diarrhea.
- Sick children should stay home until 24 hours after they are fever free without the use of fever-reducing medicines.
- Cover your cough/sneeze. It is best to *cough or sneeze* into your upper sleeve or *elbow*, not your hands. If you cough/sneeze in your hands or in a tissue, make sure you wash your hands afterwards.
- These everyday steps are a good way to reduce your chances of getting the flu. However, a yearly flu vaccine is the best protection against flu illness.

Cover your mouth and nose with a tissue when you cough or sneeze *or* cough or sneeze into your upper sleeve, not your hands.

Put your used tissue in the waste basket.

Cover your Cough

Stop the spread of germs that make you and others sick!

Clean your Hands

Wash hands with soap and warm water

or
clean with alcohol-based hand cleaner.
