Dear NMS Families:

As we all are aware, the car rider line can be somewhat congested during morning drop off and afternoon pick up. Due to our concerns regarding safety, our morning and afternoon car rider line procedures will change beginning January 8, 2019.

After the winter break, drivers will only be allowed to make a right turn when exiting the car rider line. This policy will be in effect from 7:00AM-8:00AM and 3:00PM-4:00PM. Not allowing drivers to make a left turn during peak hours will reduce congestion and expedite the flow of traffic, thus increasing the safety level for all involved.

We appreciate your support, understanding, and patience during the transition. Your safety is of the utmost importance. If you have any questions or concerns, please feel free to contact me.

Sincerely,
