Nurses Corner

Dear Sixth Grade Parents:

All students entering seventh grade must receive or have already received a dose of Tdap vaccine on or after their seventh birthday to protect them from whooping cough (pertussis). Your child's school will need a South Carolina Certificate of Immunization, before the first day of school, showing that he or she has received this Department of Health and Environmental Control (DHEC) required Tdap vaccine.

If your child has received this vaccination on or after his/her 7th birthday, please provide a copy of the SC Immunization Certificate as soon as possible.

If the school does not have a current SC Certificate of Immunization showing that your child has received this required Tdap vaccine on or by registration for the 2019-2020 school year, your child will not be allowed to attend school until this requirement is met.

If you have any questions, please do not hesitate to contact the school!

Lost and Found

If your child is missing any articles of clothing, please check our lost and found area. We will clean this area once per month and make a donation to a local clothes closet. There are a number of winter coats, hooded sweatshirts, coats, and other items.
