2017-2018
Allocation: \$182,000

Title I – Improving the Academic Achievement of the Disadvantaged

The purpose of this title is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education. This purpose can be accomplished by —

1. Ensuring that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents, and administrators can measure progress against common expectations for student academic achievement.
2. Closing the achievement gap between high- and low-performing children and holding schools accountable for improving the academic achievement of all students.
3. Distributing and targeting resources sufficiently to make a difference to local educational agencies and schools where needs are greatest.
4. Providing parents meaningful opportunities to participate in their child's education.
