Brookdale Elementary School
School Improvement Council Meeting Notes
Thursday, February 22, 2018

Dr. Hampton started the meeting by welcoming and thanking each individual for attending and asking if there were any first time attendees to introduce themselves and their connection to Brookdale. She challenge them to encourage another parent or community member to attend the next meeting.

Mrs. Nelson welcomed everyone and read the minutes from the January meeting.

Mrs. Nelson facilitated the next portion of the meeting by reminding the team of the suggestions that were shared by various parents from the January meeting concerning the Title I allocations for 2018-19 school year. Attendees had the opportunity to view the current plan as Mrs. Nelson discuss each activity. Suggestions were noted while discussions were made that the plan had all of the components they would love to see in the plan. One parent shared that more money should be allocated for incentives. Mrs. Nelson shared that only 1% of the total budget could be used for incentives. Dr. Hampton shared that PTO fundraisers are used for purchasing incentives as well. As suggestions were given, Mrs. Nelson informed the group that we must plan for a 10% decrease in funds and if more funds were given Mrs. Nelson and Dr. Hampton asked suggestions from the team how the funds should be spent. Mrs. Nelson ended the Title I Team planning meeting by reviewing all of the suggestions provided and informed the group that a draft of the plan would be available at the March meeting for approval.

The meeting ended with Dr. Hampton thanking everyone for coming and soliciting their suggestions and concerns for the 2018-19 Title I Plan. Attendees were also invited to attend 3-5 Grade Family Night being held in the cafeteria after the meeting.
