I also would like to make you aware that the North Branch Library is planning to initiate a tutoring program for North area students involving seniors needing to complete their community service hours and students in need of assistance. Tutoring times will be set from 4:00 – 5:30 pm on Mondays and Tuesdays. Those who participate will receive a snack cake and a bottle of water at the conclusion of each session. Those students wishing to tutor will need to sign up at the NBL. Their name and subject area will be listed at the front desk and those needing assistance may sign up for specific sessions. Records will be kept of each participant and given to the referenced teacher. Specific science-based lessons will be offered on the third Tuesday of each month beginning January, 2019, from 4:00 – 5:30 pm.
