

Lori is currently a student in MTSU's School Counseling program. She is interning at CHS during the Fall 2017 semester and working closely with Mrs. Cahill to learn the role and responsibilities of a School Counselor as well as to support the students and staff at CHS. Lori will be providing individual and group counseling to CHS students under the supervision of Mrs. Cahill.

Lori is a life-long Middle Tennessee native with a passion for human services. She received her Bachelors in Psychology from MTSU in 2000, a Masters in Counseling from Trevecca in 2003 and is now finishing her Masters specialization in School Counseling at MTSU where she will graduate spring 2018. Lori comes to CHS with a long list of experiences including Mental Health Case Manager, Child and Family Case Manager, National Student Tutoring Program Manager, In-Home Counselor, and Domestic Violence survivor Counselor.

Lori is married to her husband of 14 years with two children, ages 10 and 7, and two adorably furry cocker spaniels. In her own time, she enjoys hiking, camping, canoeing, swimming and pretty much anything else outdoors. Her current obsession is tie dye clothing, adult coloring books, and board games.

Lori is thrilled to be a part of CHS this semester and looking forward to growing personally and professionally while serving the students.
