

Student Technology Acceptable Use Policy Agreement

Please read the following carefully before signing this document. This is a legally binding document.

I understand that, as a computer & Internet user, I am responsible for my actions and that I am responsible to act considerately and appropriately in accordance with the following rules.

I understand that these actions are not permitted while using the school network, technology equipment, or Internet access:

- send, display, or download offensive communication or media.
- use obscene language.
- harass, insult, attack, or defame others.
- intentionally damage school technology equipment or network infrastructure.
- attempt to enter network areas not related to specific classroom.
- violate copyright laws.
- use other users' passwords or identifiers without authorization.
- trespass in other users' files, folders, or work.
- Intentionally misuse resources.
- install or download software.
- illegally duplicate software, music or video media.
- attempt to bypass system protection including the creation or use of proxy servers or websites.
- use the network for commercial use.
- reveal my personal address or phone numbers nor those of fellow students or school personnel.
- intentionally introduce a virus to technology equipment or network.
- access personal email for non-educational purposes.
- access and use social networking or media for non-educational purposes.
- perform any action which violates existing Board Policy or Public Law.
- Attach a personal technology device to the Bedford County Schools' network without authorization. Permission must be given by the BOE Technology Department.

I will use technology including Internet access in an appropriate, responsible, and ethical manner.

If I bring in a personal technology device, I must follow the guidelines set in the BOE's Student Personal Device Acceptable Use Policy.

I understand that any violation of this agreement and any additional school or classroom guidelines may result in disciplinary action.
