

## 2016 – 2017 Tennessee High School Student Council Application

Student Council Organization is founded on the principles of good works and school spirit. SC members should work tirelessly to promote community involvement, school spirit and academic success.

The responsibilities of general body members include being present at every mandatory council meeting and all events unless previously coordinated with a sponsor and to vote diligently for officers and events. We are the voice of the student body, make it count.

Each member must maintain good academic standing, may not have been involved in any zero-tolerance offenses, and have excessive absences.

**PLEASE NOTE:** Elected grade level officers are automatically Student Council body members but may not run for SC office. Elected grade level officers are expected to meet the Student Council requirements as well as their class officer requirements by their grade level advisor. If both requirements are not met the student will jeopardize his grade level office and his/her student council boy membership.
