

Mrs. Nicole Carney

I am currently a co-librarian at Coffee County Central High School in Manchester, TN. I was born and raised in Coffee County. I left to earn a Bachelor's degree in English from Middle Tennessee State University. After working at Coffee County Central High School teaching English III I decided to earn a Master's Degree in Library Science at Trevecca Nazarene University. I have an ever growing love for education, students, and literacy. The library is the center of literacy and education in schools. I hope to help provide a library that will uphold my school and personal mission to provide for the needs of the school and our students.

Mission Statement: I charge myself with the mission of educating and caring for the whole student, leading by serving others, learning continuously through the reciprocity of ideas, and planning for the future while enjoying the numerous blessings of today.
