We are looking for a diverse group of 30 students from all 3 grades who are interested in having fun while learning about STEM applications.

The Jazzii A. Foundation's "After the Bell" program will be conducted on Tuesday and Thursday of each week beginning February 7<sup>th</sup> through May 18<sup>th</sup>. Activities start at 3:00 and will conclude at 5:00 p.m.

Sessions will be led by college STEM majors and will include exciting hands-on STEM challenges that bring science, technology, engineering, and math concepts to life and expand a student's understanding of STEM applications and how they are able to make our world a better place. Fun activities (and maybe even some competitions) are planned to ensure students enjoy this after-school time of learning!

Only 30 seats are available so return this application to the Middle School Office soon! The deadline for application is Wednesday, January 25<sup>th</sup>. Sessions start FEB 7<sup>th</sup>!
