

STUDENT HANDBOOK AGREEMENT FORM

Every Crockett County High School student is issued a Student Handbook upon enrollment. Contained in this handbook is a listing of school policies and other information which will be helpful to students and parents throughout the year. If an issue or concern arises, we suggest referring to the handbook first to see if the topic is covered. This will provide valuable information when addressing your concerns with school personnel.

The Crockett County Board of Education is requiring that students and their parents or guardians sign a form indicating that they have received and are responsible for the contents of the student handbook. Please complete the bottom portion of this form and return to your child's homeroom teacher as soon as possible. Thanks!

The signatures below indicate that we have received the CCHS Student Handbook, and we understand that we are responsible for the information it contains.
