## Tiger Football Shows Its Stripes

By Seth Moyers

Friday September 15th, the football team payed a visit to Moore County in high hopes to take home the win. The boys constantly played their hearts out; unfortunately, they fell a little short of their desired goal. The Fayetteville High School Football Team lost by a mere 5 points. The overall score turned out becoming (26-21) in Moore County's favor. It was truly a tough game but there's always room for improvement. Better luck at Moore County next time boys, keep up the hard work! Go Tigers!

## Perry's Positive Thought

Over the weekend, I was asked to escort Lexi Fox for the homecoming parade I had a really good time partaking in all the parade activities, even though it was a little warm. We started off by taking photos on an antique car. After that, we had a parade. We sat in the back of nice cars and rode around the track surrounding the football field, waving to fans. After that, we sat in the stands and cheered with some of the parents sitting with us. At halftime, we came down to the field and marched out and had our names announced. It was an all around a great time and it was fun to dress up with my friends!

## Pet of the Week

By Jessica Bates

Breed: Terrier / Labrador Retriever Mix

Age: 8 months

Gender: Female

Adoption Fee: \$85.00

Weight: 34 lbs. 4 oz.

Notes: Ava was found wandering the avenues so the police decided to bring her in before she got hurt. Ava is a sweet, energetic and lovable dog. She has a great personality and gets along with others very well. She is looking for that special home where she fits in. Can you help her?

## Horoscopes

By Abby Drew

Virgo & Libra (Aug. 23 - Sept. 22) - (Sept. 23 - Oct. 22): You are probably going through tough times, making it feel as if the Universe is against you. The question "why me" may be floating through your mind. Just know that you did nothing wrong and it is not meant to punish you. It is a tough time, however, the resolution to the problem will lift a huge weight off of your shoulders. All that is asked of you is to continue through life and keep a positive attitude. Staying positive, along with keeping an open mind, will greatly help your future.

## Homecoming Week Activities

Monday's dress up day was dynamic duos or famous couples. Monday afternoon we had our 2nd annual male beauty pageant. Tuesday was Disney vs. Nickelodeon and our activity for that day was Family Feud. On Wednesday the freshman dress up as babies, sophomores dressed up as toddlers, juniors dressed up as business people, and seniors dressed up as senior citizens. The activity for Wednesday afternoon was the singing bee.

Thursday's activity was supposed to be powder-puff but it got cancelled due to rain. We had a volleyball tournament instead. The dress up theme was throw back Thursday on Thursday. Friday was game day, so we had a pep-rally and the male cheerleaders performed. On Friday everyone wore black, and girls wore tiaras and guys wore ties.
