The Franklin County Schools Code of Conduct and Discipline was developed to inform students, parent/guardians, school system employees, and others of expected behavior and the consequences of failure to obey such standards. The policies, rules, and procedures were developed to comply with Franklin County School Board Policy and to help provide and maintain a safe, secure, and positive learning environment for all students.

Disciplinary options may vary if deemed necessary by the Administration.

ARRIVAL / DEPARTURE

FCCHS doors will open at 6:45 A.M. on a daily basis. Student drivers must enter the building immediately after arriving on campus. All students who arrive at school before 7:45 A.M. are to report to the cafeteria immediately upon reporting to school, whether they drive or ride a bus, and remain there until the bell rings at 7:45 A.M. Once a student is on the FCCHS campus, they must remain there unless given permission to leave by an administrator. An administrator will not give permission for a student to leave without talking with and gaining the parent's permission.

Students are not allowed to bring disposable styrofoam, plastic, or paper cups/drink containers (McDonalds, Hardees, Sonic, etc.) into the building.

Upon dismissal from school in the afternoon, all bus riders should report to the bus loading area (beside room N135) and wait there under the supervision of teachers on duty until the bus arrives. In case of severe weather, students may wait inside the lobby area.

Students who walk or drive to school should depart immediately after 3:00 P.M. dismissal. Students who are transported by parents will be picked up in the front or back of the building. It is expected that all students will be picked up by 3:30 P.M. unless participating in a scheduled, supervised activity.

ATTENDANCE (See Also, Attendance-Board Policy 6.200)

Good attendance is vital in order to be successful in school. Students are encouraged to be present every day, all day long. When it becomes necessary for a student to be absent from school, he/she is required to bring a written note from a parent/guardian or from another official source (doctor, dentist, court, etc.) on the first day that he/she returns. The note is to be given to the attendance office before 8:00 A.M. ***Only five (5) days of parent/guardian notes will be accepted for excused absences. The five (5) days of parent/guardian notes are an accumulation of absences until the five (5) days are reached; (3 hours and 16 minutes count as a day). Only board excusable reason will be classified as excused absences.***

1. Personal Illness
2. Illness of Immediate Family Member including: Mother, Father, or Sibling
3. Death in the Family
4. Extreme Weather Conditions
5. Religious Observances
6. Circumstances, which in the judgment of the Principal, create emergencies over which the student has no control

Students should bring the note to the attendance office on the first day he/she returns; however, **if the student fails to bring a note within three (3) days, the absence will be considered UNEXCUSED.** Parent or doctor notes **will not** be accepted and data in the state attendance database will not be changed by the attendance officer after the third (3rd) day a student has returned.

ATTENDANCE (UNEXCUSED ABSENCES)

According to the Tennessee Code Annotated, 49-6-3007, when a student has reached five (5) unexcused absences, the parent/guardian will receive a letter concerning this situation from the attendance administrator. When the student has reached the 6th or more unexcused absence, the attendance administrator and attendance officer from the BOE will meet to contact and a file petition to Juvenile Court regarding the truancy issue. Letters will be sent to the parent/guardian when a student has reached five (5) and ten (10) days unexcused. **Absences are continued throughout the school year and are not on a semester basis.**

ATTENDANCE (MAKE-UP WORK)

It is the responsibility of the student to see that the requirements of the attendance policy are met, and all work missed is completed to the satisfaction of the teacher. This also applies when a student has been suspended from school. You may contact the secretary in the guidance office to request make-up assignments at 967-2294.

As a minimum, a student will be allowed an equal number of days to complete the make-up work as the number of days that were missed. (Ex: A student who is absent three days should have all work turned in by the third day that the student has returned to school.) More time for make-up work may be granted in special circumstances by making arrangements with the teacher involved.

ATTENDANCE (CHECK-OUT)

Students are encouraged to be present for the entire school day. *Phone calls will not be accepted for check-outs.* If it becomes necessary for a student to check-out, a parent/guardian may come in person to the attendance office or the student must bring a **verifiable note signed by a parent/guardian.** Check-out notes will be verified by a phone call from the attendance office prior to the student leaving school. **The note must include the student's name, date and time to check-out, the reason for checking out, parent/guardian phone number, and parent/guardian signature.**

Students must turn the note into the attendance office before 8:00 A.M. and pick up a check out slip. Students leaving early **MUST** sign out in the attendance office after showing the signed check-out slip to an attendance official. At the beginning of each semester, after a student has checked out for the 4th time, no notes will be accepted. The parent/guardian must come to attendance to pick up their child. If a student checks out of school before 11:17 A.M., or checks into school after 11:44 A.M., the student is counted as absent for the day.

CHECK OUT REQUESTS WILL NOT BE PROCESSED AFTER 2:30 P.M.

ATTENDANCE (GETTING / KEEPING A DRIVER'S LICENSE)

- Ten (10) consecutive days, or a combination of suspended days and unexcused absences totaling fifteen (15) days during any semester, renders a student of legal age ineligible to retain a driver's permit or license.
- A student must also pass a minimum of half of the courses (two of a possible four on block schedule) to be eligible to get or keep his/her driver's license.
- Grading periods for driver's license purposes are at the end of the semester. The attendance administrator will submit a list of students, at the end of each semester, to the attendance office at the Franklin County Board of Education in order for notification to be sent to the parent/guardian.

ATTENDANCE (INDIVIDUAL CLASS)

5 Class Absences: The student will be referred to administration. The student will be assigned Academic Saturday School in order to complete missing assignments. In the event the absence (s) has/have been excused, normal make-up procedures will be followed without disciplinary actions considered to be necessary. Students will be referred upon reaching the **7th and 9th class absence** in which a combination of After School Detention (4 days) and Saturday School (full day) will be administered after the 7th unexcused absence and possible Behavior Modification or Alternative School if unexcused class absences are on a continual basis. Other disciplinary measures may include but not limited to: Suspension from school activities or events, loss of driving privileges, in school detention.

- **There will be no re-scheduling of Academic Saturday School, After School Detention, or Discipline Saturday School for class attendance.**
- **These absences are not truancy issues that are handled through attendance in which 5 or 10 day letters are sent and truancy petitions are served.**
- **All 18 year old students will follow the same rules as a juvenile student regarding excessive class absences.**

- **The classroom teacher's attendance roll will serve as official documentation.**

BUS POLICY

Buses will drop students off at the north bus ramp in the morning and pick them up at the same location beside room N135 in the afternoon. The school bus is an extension of a school activity; therefore, students shall conduct themselves on the bus in a manner consistent with the established standards for safety and classroom behavior. Any student who rides a bus other than the one assigned or who gets off the bus at a different location must give the driver a note of authorization from the parent and approved by the transportation director/principal/designee. Bus passes may be obtained in the Attendance Office. For questions regarding bus issues, please contact the Director of Transportation, Mr. Mark Montoye.

BREAKFAST/LUNCH/CAFETERIA

Students that have qualified for the breakfast/lunch program will not be charged for a full reimbursable meal. There are 4 different lines to choose from, each with a variety of hot/cold entrees. **No book bags, jackets, etc... will be allowed in the serving area at any time during the school day. Students will not be allowed to charge for meals. In case of an emergency, students may obtain a lunch permit from the cafeteria administrator which are only issued during the student's lunch period.**

Cafeteria Misconduct – Referred to grade level administrator for lunch isolation/ASD/ISD/Behavior Modification/Saturday school, etc.

THE FRONT OFFICE WILL NOT ACCEPT FOOD DELIVERED TO SCHOOL FOR STUDENTS.

STUDENTS ARE NOT ALLOWED TO BRING DISPOSABLE STYROFOAM, PLASTIC, OR PAPER CUPS/DRINK CONTAINERS (MCDONALDS, HARDEES, SONIC, ETC.) INTO THE BUILDING.

CELL PHONES AND PERSONAL COMMUNICATION DEVICES (BOARD POLICY 6.312)

Violation of this policy will result in the phone being confiscated for (7) days. Students may choose to have their phone returned before the end of the 7 days by paying a \$25 cash only fine at the end of the school day.

The use of cell phones or other communication devices by students **upon entering the school building** is not permitted or allowed during the regular school day. Additionally students are not to use cell phones on a school bus unless permission is granted by the driver. Using a picture/video phone inappropriately on school property, outside of the school building, will result in disciplinary action determined by administration.

Failure to relinquish a cell phone to the teacher or administration will result in the student being requested to the Alternative School for a minimum of 20 days as stated in policy. Other disciplinary or corrective actions may be taken to ensure that instructional time is protected and safety is not compromised.

***Please note that this policy states any communication device which is not necessarily limited to cell phones.**

FCHS is not responsible for lost, stolen, or broken cell phones, or other items that are not conducive to the learning environment, and will not reimburse for phones or items that are lost, stolen, broken, or misplaced.

Disciplinary options may vary if deemed necessary by the Administration.

Conflict vs. Bullying - Understanding the Difference – Helpful Information for Students and Parents

Conflict is a normal part of life. And learning to deal with it helps kids master the social skills they will need as adults. But bullying is not normal even though many people mistakenly believe it is a "rite of passage" for kids as they grow up. In fact, there are some distinct differences between bullying and peer conflict. Being able to identify these differences will help parents and teachers know how to respond.

Characteristics of Peer Conflict

There are a number of ways to identify peer conflict. First, when a conflict occurs, both people involved have equal power in the relationship. And while both people are emotional and upset neither one is seeking power or attention. They just happen to disagree about something.

Also, when people experience conflict they likely will feel remorse and take responsibility for what they did wrong. They just want to solve the problem so that they can start having fun again. Lastly, conflict happens occasionally and although kids may be upset, it is usually not serious or emotionally damaging to either person.

Characteristics of Bullying

There are a number of ways that kids can be hurtful to one another but not all of it is bullying. Sometimes it is simply unkind behavior. The best way to identify bullying is to realize that it is a deliberate act with the intention to hurt, insult or threaten another person.

There's also an imbalance of power in the situation. Bullies usually exert control over other people either by intimidating them, insulting them or threatening them. Bullying also is repeated and purposeful and poses a threat of serious emotional or physical harm.

Typically, when bullying occurs, there is very little emotional reaction from the bully but the target is usually visibly upset. Additionally, bullies may even get satisfaction from hurting people because it garners attention. Lastly, there is usually no remorse from the bully and no attempt to resolve anything. Bullies are not interested in having a relationship with the intended target.

Differences in Addressing Conflict and Bullying

Conflict is an important part of growing up but bullying is not. Conflict teaches kids how to give and take, how to come to an agreement, and how to solve problems. When it comes to conflict, it's good for kids to learn conflict resolution skills. These skills promote listening and working together to come to an agreement that both parties can agree to. But conflict resolution is not appropriate for bullying situations. In fact, it can be particularly dangerous and damaging to the target of the bullying.

Conflict resolution works based on the assumption that both people are in part responsible for the current problem and need to work it out. In this situation, both kids make compromises and the conflict is resolved. Usually when kids have a conflict, it is best to allow them the opportunity to work it out on their own.

But bullying is different. It's about the bully making a choice to intentionally target another person. There is nothing to work out there. Besides, bullies usually don't negotiate with others. They blame others. Even if an adult can extract an apology, the bully will often retaliate when no one else is around. As a result, it is crucial that parents and teachers recognize the difference between conflict and bullying.

When bullying occurs, the bully is fully responsible for the situation. And the bully bears all the responsibility for change. Forcing a target to participate in conflict resolution or mediation is not recommended. Instead, there needs to be an intervention process in place that ensures the safety of the student being targeted.

For instance, bullies need to be told that their behavior is unacceptable and will not be tolerated. They also need to experience consequences for their behavior. Likewise, targets of bullying need to be reassured that they didn't cause the bullying and that they are not to blame. They also should receive interventions that will help them overcome the negative impact of bullying so they can regain self-esteem.

COMPUTER AND INTERNET USE

The use of computers (with appropriate software) and access to the Internet at FCHS is encouraged to enhance specific instructional objectives. The use of the Internet requires a separate account for each student; the use of this account must be in support of education and research and consistent with the educational objectives.

Before an account may be established, the student must have on file a signed application for terms and conditions for use of the Internet. A monitoring and tracking system is in place on every school computer that maintains a cumulative history of accessed Internet sites as well as the user. Students may be banned from the use of school computer and connective Internet services if inappropriate and/or unlawful sites are found to have been accessed.

DRIVER'S LICENSE

Students under the age of 18 must prove they are enrolled in school and making satisfactory progress when applying for a driver's license in Tennessee. FCHS will provide a certificate of compulsory school attendance verifying this information. Students/parents should request the certificate from the FCHS office at least 2 days prior to going to the driver's license station. The form is valid for only 30 days.

If a student fifteen years of age or older drops out of school or fails to make satisfactory academic progress, the school is required to notify the Department of Safety. This suspends the student's driving privileges. The first time a student drops out, he or she may regain the privilege to drive by returning to school and making satisfactory academic progress. There is no second chance, however. The second time a student drops out he or she must wait to turn 18 years old before being eligible to apply.

FIELD TRIPS

Students are not eligible to miss any amount of school for a field trip if he/she is failing any class or if his/her attendance is less than 90%.

GRADING / GRADE REPORTS / TRANSCRIPTS

Grading Scale for all FCHS classes:

- (A) 93-100
- (B) 85-92
- (C) 75-84
- (D) 70-74
- (F) Below 70

No grade will be above 100 except for AP and Honors Courses. These reports are official communication to parents from FCHS.

Requirements for Valedictorian:

The Valedictorian must qualify as an Honors Scholar and must have attended FCHS for five (5) semesters. The Valedictorian will be the Honors Scholar with the highest grade point average (GPA). The Valedictorian will be determined at the end of the second semester after all grades are reported.

Steps to determine the Valedictorian will be:

Honors Scholar with the highest GPA

If there is a tie, then: Student with the highest composite ACT score on a regular national test through the April test date for the graduation year.

If there is a tie, then: Student with the highest number of honors courses attempted

If there is a tie, then: Numeric average in core courses

FCHS transcript grade entry procedure for students completing Online Independent Study classes, Dual Enrollment classes, or any course taken outside of FCHS.

When a school submits a letter grade, we enter the grade as submitted on the transcript. We do not adjust grades according to the submitting school's grade scale (Letter=Letter). Example: A+, A, or A- will calculate as an A (4.0) toward the GPA. A B+, B, or B- will calculate as a B (3.0) toward the GPA.

If a numerical grade is received on the student's transcript, the corresponding Tennessee Uniform Grading Scale will be implemented (Numerical 95=Tennessee corresponding grade).

THE FOLLOWING POLICY CHANGES WILL GO INTO EFFECT WITH THE CLASS OF 2022

Criteria for FCHS Honors Scholars:

- Minimum grade point average (GPA) of 4.0 (not rounded up)
- Students are required to have at least 12 academic honors courses in core area

VALEDICTORIAN	SALUTATORIAN
Highest Grade Point Average (weighted)	Second Highest GPA (weighted)
12 Honors or Above Courses (minimum)	12 Honors or Above Courses (minimum)
Graduate with Honors (state)	Graduate with Honors (state)
FCHS Honors Scholars	FCHS Honors Scholars

Steps to determine valedictorian:

Transfer students must be enrolled in the high school the last four (4) of seven (7) semesters preceding the final semester (must start attending no later than the second semester of his/her sophomore year).

1. The honors scholar student(s) meeting the above criteria with the highest grade point average (GPA).
If a tie, then

2. Student(s) with the highest composite ACT on a regular national test through the December test prior to graduation.
3. Student(s) with the highest number of honors courses attempted. If a tie then
4. The highest numeric average in core academic courses.

END OF POLICY CHANGE

HOMEWORK (ABSENCE AND LATE ASSIGNMENTS)

It is the responsibility of the student to see that the requirements of the attendance policy are met, and all work missed is completed to the satisfaction of the teacher. This also applies when a student has been suspended from school. You may contact the secretary in the guidance office to request make-up assignments at 967-2294.

As a minimum, a student will be allowed an equal number of days to complete the make-up work as the number of days that were missed. (Ex: A student who is absent three days should have all work turned in by the third day that the student has returned to school.) More time for make-up work may be granted in special circumstances by making arrangements with the teacher involved.

Late Work/Point Deductions

A student who does not have an assignment completed and ready to turn in the day the assignment is due will receive a twenty-percentage (20) point deduction and will be given one additional day to turn in the assignment. No late assignments will be accepted after the following day the assignment is due.

A student is allowed two (2) late assignments per semester. After the second late assignment the teacher will assign a grade of zero (0) for each subsequent late assignment. A student is responsible for arranging additional time with their teacher(s) if the situation warrants.

LOCKERS

Lockers are provided as a service to students and are subject to search. Each student will be assigned a locker and will be authorized to use only that locker. Students are advised to provide a lock as the school will not be responsible for items taken from unsecured lockers.

MEDICINES

FCCHS has a full time registered nurse on staff. Her office is located just off the main office in the front of the building. To see the nurse, a student should have a pass from a teacher or administrator except in case of an emergency.

Nurse Protocol- To facilitate privacy and safety to students visiting the clinic, the nurse will see students, who present a valid hall pass or a signed teacher note during class period time only (Unless an emergency, obvious injury, bleeding lacerations, respiratory distress/allergic reactions, fainting, etc.). If a student is required to take

nonprescription or prescription medication during school hours and the parent/guardian/legal custodian cannot be at school to administer the medication, only the nurse, principal, or principal's designee will assist in self-administration of the medication. **NO MEDICATION (prescription or over the counter) is to be in the possession of a student at any time.** Medications are to be turned into the school nurse by the parent/guardian along with written instructions which include (1) student's name; (2) name of medication; (3) name of physician; (4) time to be self-administered; (5) dosage and directions for self-administration; (6) possible side effects if known; and (7) termination date for self-administration. Prescription medicines should be in the original container with the student's name and doctor's instructions. When necessary, an exception may be granted IN ADVANCE and upon written request for certain items such as asthma inhalers that need to be with a student at all times. The parent/guardian/legal custodian is responsible for informing the school nurse of any change in the student's health or change in medication.

MISSING STUDENT PROCEDURES

Before or after school when it comes to the attention of administration, communication is made with administrators via radio contact to try and locate the student throughout the building. All pick-up lines are checked, as well as the back parking lot. An ALL CALL is made to have the student report to the main office. In the event the student cannot be located, SRO's are contacted with information provided by the parent/guardian in an effort to locate the student and provide information to law enforcement if necessary.

During school when a student is reported missing, communication is made to administrators via radio contact. Attendance is checked for possible check out, all areas of the building are checked including restrooms, and attendance is checked with classroom teachers in the event an absence has not been recorded in the attendance portal. If the student cannot be located, the parent/guardian is contacted to inform them that the student is not at school.

PROM

Only seniors and juniors currently enrolled at FCHS may purchase Prom tickets (December graduates of the present school year are considered to be currently enrolled). Students on homebound status are not allowed to attend, even as a guest. Seniors and juniors may purchase either a single ticket for themselves or a higher priced couples ticket allowing them to bring one invited guest. The guest must be named when the ticket is purchased. Only that guest will be permitted to enter the dance and must enter with the ticket holder. A currently enrolled FCHS sophomore or freshman is welcome as an invited guest of a senior or junior.

Additionally, as a courtesy to FCHS seniors and juniors, a guest who is not enrolled at FCHS may be invited with the following restrictions:

- Non-FCHS guests must be approved by an SRO or the principal
- No one under the age of 15 (applies only to non-FCHS guests, not to current FCHS freshmen)
- No one over the age of 20 (applies only to non-FCHS guests)
- No one with school disciplinary issues, criminal background, or other problematic behavior will be approved; the SRO's or principal's discretion will prevail
- Approved non-FCHS guests must present a photo ID at the dance entrance and will not be allowed inside without a photo ID

SAFETY AND EMERGENCY PROCEDURES

Specific details of safety procedures will be implemented, by school administrators, staff, emergency personnel, and law enforcement. Cell phones are not to be used by students during the school day, and specifically includes use during any emergency drill or procedure. Fire, tornado, and lockdown procedures will be explained to students by each classroom teacher. When a drill or emergency signal is sounded, students must quickly and quietly report to the designated area and follow instructions.

STUDENT PARKING

Students **MUST** park in the area provided for student parking and in their own assigned parking space. A student must register his/her vehicle with the SRO and obtain a parking permit which is to be displayed on the car's rearview mirror whenever on campus and prior to driving/parking on campus. Failure to register, parking in the incorrect space, or other violations relative to a vehicle, will result in a **Notice of Student Parking Violation in which a \$10.00 fine will be assessed and all other subsequent violations will carry the same fine. After the 3rd violation, the vehicle will be towed at the owner's expense.** Vehicles should not be left on campus overnight. In the event of an emergency, an Administrator or SRO should be contacted. No student is to be in the parking lot during the school day without written permission from an administrator.

Parking/driving on campus is a privilege, and abuse of this privilege (including but not limited to: speeding, reckless driving, excessive noise, loud music, being in the parking lot without administrative approval, leaving campus without permission, excessive unexcused tardies, and truancy) may result in reassignment of parking space or revocation of driving/parking privileges on campus. **The speed limit on campus is 10 miles per hour.** Any vehicle on campus is subject to search at any time.

TELEPHONES

Telephones in the offices throughout the school are for business use only and are not for student use except with permission and in case of an emergency. In the event of an emergency or if a student becomes sick during the school day and needs to check out, he/she must see an administrator or school nurse who will contact parent/guardian.

TEXTBOOKS

Textbooks are the property of the Franklin County Board of Education and shall be returned upon completion of the course or upon withdrawal from a course or from school. Parents are to sign an agreement stating that they will be responsible for the textbooks received and used by their children. Students will be asked to pay for any lost or damaged book to the extent that it is no longer usable. (To be inventoried twice (2) a year).

VISITORS

All visitors must report to the main office immediately upon arrival at FCHS to request a visitor's pass. Only visitors with legitimate business at school will be granted a pass. An administrator may refuse to issue a visitor's pass. Parents are welcome, and we ask that an appointment be made to see a teacher (during the teacher's planning time), counselor, or administrator. Any person found on the school grounds without signing in and permission is trespassing and reported to SRO's and law enforcement personnel. ***Students who have officially checked out or are absent should not be on school grounds unless they have gone through attendance to check into school that day.*** Students who have been suspended or are in alternative school should not be on school grounds or school functions/events until they have been officially cleared to return to attend classes at FCHS.
