Tiger Notes

Classroom Needs
white cardstock paper, small and large white paper plates (non-coated)

Classroom Independence
To help encourage your child's responsibilities and independence, parents should stop at the classroom door by Tuesday, September 5, 2017.

Friday Centers
Kindergarten Friday Centers will begin on September 15th. We will need help with our centers, please volunteer if you can! Volunteer requests will be sent through Classroom Messenger.

Lunch Numbers
Some children in our classroom still do not know their lunch numbers. (They need to input the lunch number even for milk!) Please help your child learn his/her lunch number so that our lunch line can move quickly and efficiently.

Fine Motor and Attention Skills
Coloring and putting together puzzles not only help develop your child's fine motor skills, but they also help build your child's attention skills.

Tiger Quotes

when entering the art room: "Is that the art room smell?"

We are learning how to color like a superhero! One superhero coloring rule is to stay in the lines. Of course, we are learning that it is ok to get out of the lines, especially if we are cutting something out. Once learning this I heard,
"That's how I naturally color!"
