Please see back for some of our school colors and symbols

Historically, a *coat of arms* was used by medieval knights to cover, protect, and identify the wearer in battle.

The black and gold quadrants embody our four main areas of focus: Academics, Athletics, The Arts, and Character.

The orange and blue stripes that flank the white sash represent our feeder schools : Chuckey Elementary and Doak Elementary.

The white sash over our shield represents hope, light, and goodness. The sash also represents a successful new beginning for all of our students.

The three fleur-de-lis stand for the three grade levels 6th , 7th , and 8th.

This is our coat of arms but you can design your flag with other symbols too. You are not limited to our coat of arms/symbols.
