

High school students who want to get a head-start on their college career have one more incentive: **free classes!**

Dual enrollment classes for Tennessee College of Applied Technology (TCAT) – Morristown are now being offered at the Greene Technology Center (GTC), **so that high school juniors and seniors can get both high school and college credit at the same time.**

Eligibility and Participation Requirements

To be eligible, the student must:

- Have completed all of the academic requirements of the 10th grade (high school sophomore) and be classified as an 11th grader (high school junior) or 12th grader (high school senior) by the student's high school;
- Apply for the grant as a junior and/or senior prior to high school graduation;
- Complete and submit the Dual Enrollment Grant application on-line by the deadline date for each semester;
- Meet admissions criteria for dual enrollment for the postsecondary institution to which the student will enroll as a dual enrolled student;
- Comply with United States Selective Service System requirements for registration, if such requirements are applicable to the student;
- Be in compliance with federal drug-free rules and laws for receiving financial assistance;
- Not have already received a high school diploma, General Education Development (GED) diploma or HiSET;
- Be a Tennessee resident one (1) year prior to enrollment; and
- Be attending an eligible postsecondary institution.

Dual Enrollment Classes will start January 3, 2018

The following programs will be available for Dual Enrollment:

Automotive Collision Repair, Cosmetology, Computer Information Technology, Industrial Electricity, Machine Tooling, and Welding.

Talk it over with your parent(s)/guardian(s) and your high school guidance counselor.

TCAT-Morristown Student Service Representative will be at GTC on November 20, 2017 to register students!
