Camp Purpose

The purpose of the Greeneville Boys Basketball Camps is to provide fundamental basketball training for kids in our community. Children of all ability levels are welcome and will be given

the opportunity to improve their skills. We will focus both on individual skills and team

concepts. Additionally, the campers will be encouraged to exhibit the character qualities that we deem important to our program. These values along with our vision and mission can be found on the back of this brochure. Greeneville High School basketball players will be assisting the coaching staff with the camp. We hope that each camper will improve during the week and that they will be given tools to make themselves better on their own. We look forward to working with your children.

Sincerely,

GH5 Boys Basketball Staff
