Students who are issued district owned equipment must follow these guidelines:

I pledge to treat my computer with respect. I will operate it using our school guidelines as stated in the Responsible Use Policy.

I accept responsibility for using the device at school and outside of school hours.

I pledge to hold it carefully, to open and close it gently, and to have it under my physical control at all times.

I pledge to keep my computer in the school approved computer sleeve, zipped up, while transporting my computer.

I pledge to honor my 1:1 commitment by not loaning out my computer or cord to another student unless I am asked to by an adult.

I pledge to keep food and drinks (including the water fountain) away from my computer and to use my computer with clean hands.

I pledge to keep my computer on my workspace, never placing it on the floor or the edge of my desk.

I pledge to care for my screen by not stacking books or other objects on top of my computer; I will not close the lid with pens/pencils/other objects on the keyboard.

I pledge to never change my password unless I am instructed to by an adult.

I pledge to use email appropriately and remember that my emails are monitored.

I pledge that I will **only** use school-approved software and programs (no games from home).

I pledge that at the end of the day I will restart my computer and plug it in to charge.

I understand that my parents/guardians and I are responsible for costs associated with loss, damages, or theft of the computer.

I pledge that if my device is lost, stolen, or there is a problem that I will immediately tell my teacher.

I pledge I will only use my computer and keep my hands off another's computer unless asked to assist.

I agree to return the computer, charger, and sleeve to school in good working condition at the conclusion of the school year or if I leave the school.

I understand that my device can be taken and inspected at any time and that failure to comply with any of the guidelines and policies may result in suspension of the use of the computer.

I understand that this computer is my sole responsibility for my duration as a student at GMS.
