Inspiring and Empowering Every Child, Every Day

Message from Dr. Davis

Happy December to All!! What a fun time of year to get to spend our days together!! We have lots of special events coming up this month. We have three more basketball games - all at home. Show your support by attending and supporting our players and cheerleaders. Dec. 4th is 2nd grade night; the 11th is 3rd grade night; and the 14th is 4th grade night. On grade level nights, the students in that grade level get in free. Additionally, their names are entered into a drawing for free concessions!! Please watch for news about our Cultures Around the World Day. We're excited to be learning about different holiday cultures around the world. We've almost completed our first semester together! I'd like to thank each of you for your support and a great year so far!! Together we make a great team!
