FBLA State competition was March 11-14, 2018. This was a huge win for the FBLA students as a school with 16 students going to state against the whole State of Tennessee's regional placers. A total of 12 students placed in the state competition from West. The top four places have a chance to go to the National Leadership Conference in Baltimore Maryland.

FBLA advisor Amy Whaley said, "This year our club made school history with the most state wins at FBLA state competition. All students worked extremely hard to master their events."
