

HAMBLEN COUNTY DEPARTMENT OF EDUCATION

May 10, 2017

Dear Student:

Hamblen County Schools were recognized by SCORE as the Tennessee district of the year for dramatically improving student achievement. As part of that honor, our district received a cash prize of \$25,000 in 2015. Our Board of Education has placed that money in an account to reimburse every student one-half of the cost for each AP that is taken and a score of 3 or more is earned on AP tests. In addition, HCExcell has provided an additional Grant of \$10,000 for this same purpose. You will find a form below for you to complete in order to receive your reimbursement. Please note that all forms should be submitted by **August 1, 2017, to your school principal.**
