As a condition of my privilege to use the Hamblen County Department of Education’s technology device, I understand and agree with the following:

1. Student access is provided for educational purposes and research consistent with the district’s educational mission, curriculum and instructional goals.
2. I agree to abide by the Hamblen County Department of Education’s Acceptable Use Policy and Internet Code of Conduct. This policy can be found at <http://www.hcboe.net>
3. The network administrators have the right to review any material stored on the districts hardware or networks, and to edit or remove any material which they, in their sole discretion, believe may be unlawful, obscene, abusive, or otherwise objectionable, and I hereby waive any right of privacy which I may otherwise have to such material.
4. The Hamblen County Department of Education will not be liable for any direct or indirect, incidental, or consequential damages due to information gained and/or obtained via the use of the district’s devices, network/Internet, including, without limitation, access to public networks.
5. The Hamblen County Department of Education does not guarantee that the functions of the device or network or any of the networks accessible will meet any specific requirements you may have, or that the network will be error free or uninterrupted.
6. The Hamblen County Department of Education will not be liable for any direct or indirect, incidental, or consequential damages (including data or information loss) sustained or incurred in connection with the use, operation, or inability to use the district’s device or network.
7. The use of the Hamblen County Department of Education’s device or network/Internet, is a privilege which may be revoked by network administrators at any time for violation of the district’s Acceptable Use Policy and Internet Code of Conduct. Network administrators will be the sole arbiter(s) of what constitutes a violation.
8. In consideration for the privilege of using the district’s device or network/Internet , I hereby release the Hamblen County Department of Education, its operators, and any institutions with which they are affiliated, from any and all claims and damages of any nature arising from my use, or inability to use the network.

### Technology Device conditions

- The technology device and any related equipment will be returned in the same condition in which he/she receives it, excluding normal wear and tear and unforeseen system breakdowns, i.e. Internal issues not related to abuse or neglect covered by warranty. Devices will remain in provided cases at all times.
- In case of damage, loss, theft, vandalism, or failure to follow proper care guidelines, the parent/guardian/student agree that reimbursement to the district will be required. This will also include any related equipment. The most common reason of damage is liquid damage. Liquid damage is not accidental and will be considered intentional damage. **Screen damage replacement costs are approximately \$299. Replacement of the charging adapter is \$39. Replacement cost for the device is \$399.**
- When the device is taken home by the student, the device and charger must be returned to the school on the next school day. The device is expected to return with a full battery charge for use during the next school day.

**Instructions:** Sign and date the form. Return the completed form to your classroom teacher. The school will then retain and copy and forward a copy to the Department of Instructional Technology.  
**Original notarized copy on file at school.**

## Hamblen County Schools Student Technology Device Take Home Form

- All devices and related equipment are the property of the Hamblen County Department of Education. The district reserves the right to demand the immediate return of the equipment at any time. The technology should only be used by the student who has signed the agreement.
- If you, as the parent/guardian, would rather that the technology NOT be brought home, please inform the school by checking the appropriate box on the permission form below.

*I understand and will abide by the above Terms and Conditions for device and network/Internet access. I further understand that any violation of the regulations is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked; school disciplinary action may be taken and/or appropriate legal action. I will not share the use of my account nor my password with anyone. The Hamblen County Department of Education's Acceptable Use Policy is available for review at [www.hcboe.net](http://www.hcboe.net).*

*I understand that personal software and/or personal music is not allowed to be installed/copied on any school device. This includes purchased software, shareware/freeware, as well as files downloaded from the Internet. Installing and/or copying software or music without a valid license is a Federal offense. Offenders may be subject to civil damages, criminal penalties, and even imprisonment.*

*I understand that this access is designed for educational purposes and that the Hamblen County Department of Education has implemented filtering and/or blocking software to restrict access to Internet sites containing pornography, obscene depictions, or other materials harmful to, to the extent practicable, while using the school district's network. This control also applies to other forms of communication such as email, chat rooms, social networking sites, instant messaging, and the like. However, no software is foolproof, and there is still a risk a user may be exposed to a site or message containing such materials. Students shall only use district approved software (currently Gaggle for students in grades 6-12) and accounts for electronic communications as provided by the school district.*

I give permission for my child to sign out a technology device for coursework at home.
