

Have you heard about Parent Portal?

Hamblen County Schools' Parent Portal offers parents and guardians online, timely, and secure access to their child's assignments, grades (2nd-5th grade), lunch account, and attendance. Parents of students in kindergarten and first grade cannot check grades on-line, but can check attendance and lunch account information. On-line grades are posted once a week. In a nutshell, the Parent Portal is an easy-to-use communication tool that will allow you to take an even more active role in your child's education. Parent Portal is located on our school's website.

You may stop by the office and receive a login and password from Mrs. Samples. You will also be able to pick up the information at Open House on Sept. 12th.

Want to know when schools are closed?

District and school-wide announcements may be accessed through the "Notify Me" program. Go to the school website at <http://wtes.hcboe.net/> and click on the "Notify Me" icon located just above the snapshots. You can receive emails and text messages about school events and wintertime closings.
