

CSAS Climbing Team

What is it? A group/club/team of CSAS students in grades 8-12 who climb together to develop themselves mentally, physically, and emotionally

When does it meet? Every Friday after school till 6:30 PM

Where does it meet? At Urban Rocks Climbing Gym on Appling Street just off Amnicola Highway

Why is it called a team? We will compete in 6 competitions with other local high school teams with two comps being held at each of Chattanooga's three climbing gyms—Urban Rocks, High Point, and the Tennessee Bouldering Authority. (The competitions have been scheduled on Saturdays to avoid conflicting with other after school activities.)

How do I join? Come to any of the after school Friday sessions to sign up. You'll need to have a parent fill out the waiver for Urban Rocks gym. (This can be done online at Urban's website <http://urbanrocksgym.com> or in person at the gym.) You'll pay a \$35 per month membership fee directly to Urban Rocks. This gives you a membership whereby you can climb at anytime at Urban Rocks and enjoy their numerous member benefits such as free gear rental and a free belay class. The normal price for a monthly membership is \$58, so Urban Rocks gives us an excellent deal for our school team. (Our team renews its memberships on the 11th of each month and Urban cannot pro rate any months since we are already receiving a huge discount.) Your only additional cost is \$8 as an entry fee for each of the six competitions.
