

Installing on a personal or non-domained PC is a bit more complicated. Open a browser and go to “Xerox.com”. Click on “Support & Drivers” near the top, and then click “Support and Drivers” on the left.

The screenshot shows a web browser window with the address bar displaying "www.xerox.com". The Xerox logo is visible in the top left. The navigation menu includes "SERVICES", "PRODUCTS", "SUPPLIES", "SUPPORT & DRIVERS" (circled in blue), and "ABOUT XEROX". A search bar is located on the right side of the navigation menu. Below the navigation menu, the "Support and Drivers" link is circled in blue. The main content area is divided into three columns: "MySupport" with links for "Log in" and "Support Community Forum"; "Were You Looking For?" with links for "Equipment support", "Where to buy", "Careers", "Recycling", "Thought leadership", and "Case studies"; and a "Resource Desk" section with a "Your Interest" dropdown menu. At the bottom of the page, there is a banner for "Jazzfest: A rich musical tradition" with a "Go behind the scenes" button and a "Resource Desk" section with a "Your Interest" dropdown menu. The Windows taskbar at the bottom shows the Start button, Windows Media Player, and the Xerox Business Services browser window. The system tray shows the date and time as 11:52 AM on 6/29/2015.

www.support.xerox.com/support/xerox-d136/downloads/enus.html?associatedProduct=Xerox-136-built-in-controller

Start | Windows Media Pl... | Xerox Support ... | 11:54 AM 6/29/2015

Select your operating system (Windows 7 for most of y'all). Select "Web based Print Driver Installer". Follow the directions, and select the "d136" printer when it asks. You're done!

The screenshot shows the Xerox support website interface. The browser address bar displays the URL: www.support.xerox.com/support/xerox-d136/downloads/enus.html?associatedProduct=Xerox-136-built-in-controller. The page has a navigation menu with 'Support', 'Drivers & Downloads' (highlighted), 'Documentation', and 'Contact'. On the left, there is a 'Refine Results' sidebar with categories like 'All (14)', 'Recommended (1)', 'Drivers (6)', 'Utilities & Applications (6)', and 'Firmware (2)'. The main content area is titled 'Drivers' and lists several driver options. The 'Web-based Print Driver Installer' is highlighted with a blue circle. Below it are 'Generic PPD', 'XPS Driver', and 'PCL6 Driver - Xerox User Interface - Microsoft Certified'. A 'Show Descriptions' button is visible on the right. The Windows taskbar at the bottom shows the Start button, 'Windows Media Pl...', and 'Xerox D136 Cop...'. The system clock indicates 11:55 AM on 6/29/2015.
