Hello DuPont Family,

As the new principal at DuPont, I wanted to take this opportunity to tell each of you how very excited I am to be here. My husband and I are both educators and have committed our lives to serving in public education. We have four children, Ada Karoline (20), Aidan (18), Avery (16) and Asher (8), who keep us smiling and very busy! I am looking forward to meeting your children and being a part of their elementary years. Let's work together to make this the best year ever!

*Sincerely,
Ruthie*
