

First Grade Rubric

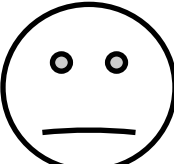

First grade students do not receive letter grades. Students receive a number based upon what they know or have accomplished. This rubric is used in our class, and may help you to better understand our grading system.

Please look for the score on papers sent home.

- Many of the things on our report card are assessed aloud (orally), or in small groups. As a result, you may not always see a grade as a paper in your child's folder.
- Please feel free to contact me at any time for a conference to discuss your child's progress. I will try to work with your schedule to find a good time to meet.

4  I understand it all the time.

3  I understand it most of the time.

2  I'm still learning.

1  I do not understand.
