2  
3 The Hamilton County Board of Education expects all students to treat each other with civility and respect  
4 and not to engage in behavior that is disruptive or violent. Hamilton County students are expected to  
5 behave in a way that does not interrupt the education of other students.  
6

7 This policy addresses conduct taking place on school grounds, at any school-sponsored activity, on  
8 school-provided transportation, or at any official school bus stop immediately before boarding and  
9 immediately following deboarding.<sup>1</sup> This policy also addresses any conduct taking place off of school  
10 property or outside of the school sponsored activity if this conduct is directed at a specific student or  
11 students and has the effect of either creating a hostile educational environment or substantially  
12 disrupting the educational environment or learning process.  
13

14 **Hamilton County Board of Education’s Commitment**

15  
16 The Hamilton County Board of Education is fully committed to providing a safe and orderly learning  
17 environment for all students in order for them to achieve academic success. This environment shall be  
18 free from discrimination, harassment, sexual harassment, hazing, bullying or cyber-bullying.  
19

20 The Hamilton County Board of Education will not tolerate acts of discrimination, harassment, sexual  
21 harassment, hazing, bullying, or cyber-bullying toward students by other students or staff. In addition,  
22 the Board of Education will not tolerate conduct aimed at defining a student in a sexual manner, and  
23 conduct impugning the character of a student based on allegations of sexual promiscuity.  
24

20 through a third party, or through the use of electronic devices such as text messages or posts on social  
21 media sites.

22  
23 For purposes of this policy, bullying includes any act that substantially interferes with a student's  
24 educational benefits, opportunities or performance. If the act occurs on school grounds, on a school  
25 sponsored activity, on school sponsored transportation or at a school designated bus stop, it is bullying  
26 if it has the effect of harming a student or damaging his or her property; knowingly placing a student in  
27 reasonable fear of harm to the student or to his or her property; causing emotional distress to the student;  
28 or creating a hostile educational environment. If the act occurs off school property or outside of any  
29 school sponsored activity, it is nevertheless bullying if it is directed at a specific student or students and  
30 has the effect of creating a hostile educational environment or a substantial disruption to the educational  
31 environment or the learning process.

32  
33 Cyber-bullying is bullying that takes place using electronic technology. Electronic technology includes  
34 devices and equipment such as cell phones, computers, and tablets, as well as communication tools  
35 including social media sites, text messages, chat, and websites. Examples may include inappropriate text  
36 messages or emails, rumors sent by email or posted on social network sites, and embarrassing pictures,  
37 videos, websites, or fake profiles.

38  
39 Hazing is any act intended or reasonably expected to endanger the physical or mental health of a  
40 student or students, or to humiliate, intimidate or demean a student or students in connection with joining  
41 or maintaining membership in any team or organization affiliated with any school or school program.

### 42 **Procedures**

43  
44  
45 Victims of or witnesses to discrimination, harassment, bullying, cyber-bullying, or hazing shall report  
46 these incidents immediately to a teacher, counselor, building administrator, or anonymously on the Quick  
47 Tip link located on the Hamilton County Department of Education website.<sup>4</sup> The willful filing of a false  
48 report will itself be considered harassment and/or bullying and will be treated as such.  
49

2 Any staff member who witnesses any action that may be a violation of this policy or who receives any  
3 report of any alleged conduct that would constitute a violation of this policy must report to the principal/  
4 designee as quickly as possible, but in no event more than 24 hours after receiving the report.  
5

6 If the principal is involved in the incident or if the adult/student is uncomfortable reporting the incident  
7 to the principal/designee of the school, the following reporting options can be used:  
8

- 12 • 504 Coordinator, Section 504 of the Rehabilitation Act of 1973 (disability) 423-209-8593  
13

14 All allegations shall be fully investigated by a building administrator and/or school official. Every  
15 building administrator shall record complaints of discrimination, harassment, bullying, cyber-bullying,  
16 and hazing and shall document how the administrator or other school officials responded to each  
17 complaint and the final disposition of each complaint. Administrators may not take disciplinary action  
18 based solely upon anonymous complaints.  
19

20 At the end of each school quarter, each building administrator shall send a report summarizing  
21 complaints of discrimination, harassment, bullying, cyber-bullying, and hazing to the Director of Schools.

23 and respond accordingly.  
24

25 Even when a complaint has not been reported anonymously, the confidentiality of all parties and  
26 witnesses will be respected. However, because confidentiality must be balanced against the school  
27 system's obligation to cooperate with police investigations or legal proceedings, to provide due process  
28 to the accused, to conduct a thorough investigation, or to take necessary action to resolve a complaint,  
29 the identity of parties and witnesses, when known by school system officials, may be disclosed in  
30 appropriate circumstances to agencies and persons with a need to know.  
31

32 There will be no retaliation against any person who reports harassment or participates in an  
33 investigation. However, any employee who refuses to cooperate or gives false information during the  
34 course of any investigation may be subject to disciplinary action.  
35

36 Building administrators are responsible for educating and training their respective staff and students as  
37 to the terms of this policy and the procedures for reporting discrimination, harassment, bullying,  
38 cyber-bullying, and hazing.
