HAMILTON COUNTY HIGH SCHOOL

SHOULD I EVEN APPLY FOR THE FAFSA & TN PROMISE?

Are you wondering whether or not you should apply for the FAFSA and the TN Promise? Many times students have plans to enter the workforce or to enlist in the military immediately after high school graduation. I completely understand your reservations for applying when you already have plans. Here are my three top reasons that ***you should still apply for FAFSA and TN Promise even if you do not plan to go to college right now.***

1. It's free \$\$\$ - Why turn down something free? The TN Promise is free.
2. Scholarship application is part of the senior project.
3. You have help. I am here to help you complete these.

So in essence, I'd rather for you to be safe than sorry. Why not apply while you can. Come by my office or sign up on my door so that we can complete your application soon.

WHAT ARE YOU DOING AFTER GRADUATION?

Meet with Mrs. Carson to discuss your college and career plans. She has information on job leads, military opportunities, and scholarships. Drop by or sign up on her door today!
