HAMILTON COUNTY MAGNET SCHOOLS

Parent / Guardian Commitments for the 2016-2017 School Year

Attending a Hamilton County Magnet School is an option for parents that want their children to attend a school outside their school zone. Because this is a choice that has been made by the family, parents and students must be willing to follow and abide by the requirements as set out below.

ATTENDANCE

Parents must make sure their child has good attendance. Eight unexcused absences or ten unexcused times of being late to school is considered to be excessive absences/tardiness. This will jeopardize your child's magnet seat at our school and the possibility of being accepted to any other magnet school for the following school year.
