

In addition to a new operating platform, The Jason Foundation is proud to add two new 1 hour modules to the On-Line Library!

NEW MODULES AVAILABLE!

Bullying and Suicide

This training module delves into the problem of bullying in schools and its relation to suicide. Facts, myths, and research regarding bullying and suicide are discussed. Suggested protective factors and recommendations are provided for educators. The training module and research are presented by Dr. Scott Poland and Richard Lieberman, noted experts in the suicide prevention field.

&

Non-Suicidal Self-Injury

This training discusses the issue of non-suicidal self-injury (NSSI) and how it relates to suicidal ideation. Examples of NSSI, factors that contribute, and signs associated with the behavior are studied. Also, recommendations on how to respond to a young person who may be struggling with these habits are provided. The training module and research are presented by Dr. Scott Poland and Richard Lieberman, noted experts in the suicide prevention field.

“First in several new modules to be produced in a new 1 hour module format to address specific issues within youth suicide awareness and prevention.”
