

The STEM School Climbing Team

Outdoor Chattanooga is partnering with 3 local climbing gyms to offer an Interscholastic Climbing League for high schools. Each school must have at least 5 participants to field a team.

Being a member of the climbing team will allow access to a discounted membership at the local gyms. Cost at the Highpoint Riverside location is \$37 + tax per month. To join the Highpoint Downtown and have access to both locations cost is \$48 + tax per month. These memberships include free shoe rental, harness, and belay device (A \$5 per day savings).

The team will practice together one night a week, but climbers will have access to the gyms anytime they are open. Practices will start in October.

If you don't know how to belay or never climbed before that is okay. Outdoor Chattanooga will offer instructional clinics before the first competition and throughout the season.

Dates and location for the meets are:

November 14 Highpoint Downtown

November 21 Highpoint Riverside

December 5 Tennessee Bouldering Authority

January 16 Tennessee Bouldering Authority

January 30 Highpoint Riverside

February 6 Highpoint Downtown

Cost to participate in the meets is \$8 if prepaid or \$10 the day of for each meet.

If interested fill out the information below and return to Elias Basler. For questions contact Dan Basler at basler_dan@hcde.org.
