Welcome to the SDHS JROTC LET 2 course of instruction. I am your instructor, Chief Holovacko. We will be together for the next twenty-five weeks. In this course, we will come together to help you learn to become a better citizen by exploring Government, First Aid, and Wellness.

## **Course Theme**

Often the mark of a good citizen is the willingness to put others before one's self. A quote that reinforces this idea is, "The only thing necessary for the triumph of evil is for good people to do nothing." Attributed to Edmund Burke. Often complacency or fear causes inaction by good people. The history of the world is filled with examples of "the little person" taking a stand against injustice or evil. The actions of one or a few people can be the catalyst that brings positive change in a community, region, or country.

## **Course Goals**

- Know the rights guaranteed under the Constitution of the United States of America
- Fully realize the obligations of United States Citizenship
- Grasp the historical roots of our Republic
- Be able to administer basic First Aid/CPR until qualified help arrives
- Understand the components of Wellness and the relation to establishing personal fitness

## **Methods of Instruction**

During this course, we will use a multiple teaching methods. Some of these methods include lectures, group discussions/activities, teamwork, and individual hands-on activities.

## **Course Component Specifics**

During this course, you are expected to adhere to the Cadet Contract, Cadet Creed, Seven Citizenship Skills, and the Army Values. You are here to gain knowledge and prepare for your future as a productive citizen of the United States of America not to socialize and party. This does not mean that we cannot have fun while learning. Maintaining a positive attitude and remaining flexible are key to this course and life. Plagiarism and cheating have no place in a community of scholars. Have the confidence in yourself to give your original best. This is all that is required of you.

## **Attendance and Make-Up Work**

Attendance is taken at the beginning of each block and recorded in Power School. The attendance office makes the determination of excused or unexcused absence in accordance with Hamilton County Department

of Education (HCDE) Policy. Regardless of the type of absence, you are responsible for completing any work missed. You have two weeks from the absence to complete the missed assignment(s), after that time, the assignment(s) will be recorded as a zero. There is no such thing as "Extra Credit" in this class, do it right the first time.

### Office Hours

I am available during first block each day for questions. I am also available before and after school. Before school from 6:45 - 7:10 am and after school from 2:15 - 2:30 pm. Any other times must be made by appointment.

### Required Text

All lessons are taught from United States Army Cadet Command approved Curriculum Manager devices and texts.
