

Read 20's Probasco Millionaire Readers Program

Dear Parents/Guardians,

Help your child read one million words this school year by encouraging them to read at least 20 minutes every day! Students who are participating and working towards their grade level goals, set by Read 20, will be rewarded at the end of each 9 weeks. The program begins September 1st and ends April 13th.

We are asking students to

- Keep a reading log - whatever their teacher wants to use (K-5th)
- Track EACH book they finish online (3rd, 4th, 5th graders only)
(go to springcreek.hcde, click "Library", click "3rd, 4th, 5th graders click here to track your book online")

We are asking parents to:

- Sign reading logs verifying that your child(ren) have read each day outside of school hours
- Encourage your child(ren) to read at least 20 minutes every day

***If your kindergartener, 1st or 2nd grader's class does not have a classroom reading log, you may go to springcreek.hcde.org, click on "Read 20's Probasco Millionaire Readers Program", then click on "K-2 online reading log". ***

After each nine weeks period, we will have a movie and popcorn party in the library for all students who are reaching toward their grade level goal. Below are their grade level goals, as well as what they should accomplish each 9 weeks in order to come to each movie and popcorn party.

5th Grade

Yearly Goal: Read 20 books with an average of 200 pages per book

Oct. 19th Party - Read 4-7 books

Dec. 19th Party - Read 8-14 books

Mar. 23rd Party - Read 15-19 books

Last Party TBA - Read 20 books

3rd Grade

Yearly Goal: Read 40 books with an average of 100 pages per book

Oct. 19th Party - Read 10-14 books
