How You Can Help

The Harvest Hoedown needs the support of every Westview family to be a success. Here are some ways you can be involved in your child's school life, help with the event and make a difference in the lives of our children:

- Make some Jazzy Jars and send them to school starting September 23rd.
- Donate some gently used stuffed animals for the Stuffed Animal Walk starting September 25th.
- Volunteer for 30 minutes or more in your child's homeroom booth.
- Pass out advertising flyers to area preschools and businesses.
- Assist with advance ticket sales that begin September 26th.

- Volunteer to be a parking attendant or help with setup and cleanup.
- Consider being a Harvest Hoedown sponsor or vendor and market your business while supporting the East Brainerd community at the same time.

Help Homeroom Parents! Room Parent Coordinators will be contacting parents to sign up for volunteer times at the individual activity booths. Classroom booths have been assigned and each parent is asked to donate 30 minutes of their time at the Harvest Hoedown, even if you aren't planning on attending. That is the only way to make the hoedown a success for our community and our school. Please respond to request for time slots and if you absolutely unable let the teacher and/or Homeroom parent know. Your communication is very important!!

To donate items or volunteer your time in other areas, please [Email Us](#).
