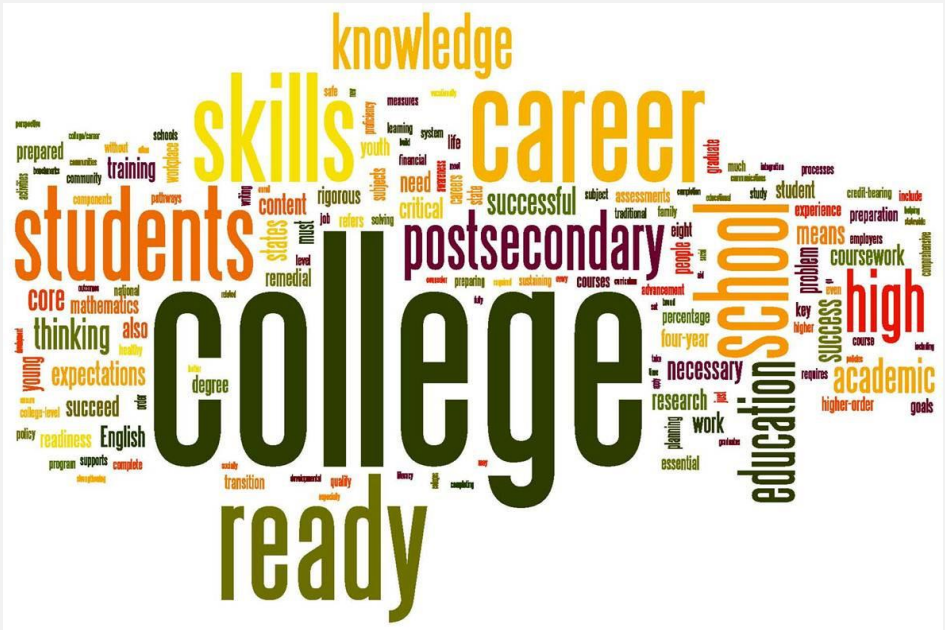
BGS Counselor Connection

Great Start, Great Year

What a great start to a great year here at Bulls Gap School! Thank you to everyone that has helped their student be successful during the first month of the school year. The counseling department will be focused on college and career lessons during much of the month of September. I encourage you to talk with your student about the benefits of college or job training after high school graduation. Share experiences and life lessons associated with careers and job training for the future.



You are Invited!
