- ✓ **Policy:** We believe sound policies and procedures are essential for the school to operate in a safe, cohesive, and effective manner.

THE PERSONAL RESPONSIBILITIES OF JEFFERSON MIDDLE SCHOOL STUDENTS

As a student of Jefferson Middle School, you are expected to be aware of and to accept your individual responsibilities in the following areas:

I. The Teaching/Learning Process

You deserve the best instruction that Jefferson Middle School is capable of providing. For the efforts of the teachers to be as successful as possible and for you to work and achieve to the best of your ability, you must cooperate with the teachers. Teachers help facilitate the activity of learning, which provides many benefits to you both now and in the future.

II. Personal Relationships

Each student is expected to show respect for the rights and feelings of his fellow students and to behave in such a way as to draw the respect of others. Courteous treatment is encouraged. Tolerance of differing beliefs and appearances is essential. Dangerous practices such as pushing, scuffling, and bullying are strictly prohibited. **Public displays of affection such as kissing and handholding between students are inappropriate at school and NOT permitted.** Students are expected to follow instructions from any school employee and to address all adult staff members with respectful words and tone. Students are responsible to all teachers at all times. Teachers have supervisory authority and responsibility in all areas of the school campus. Visitors are honored guests and should be treated with courtesy and respect.

III. Responsibility for Your Own Actions

You will be held responsible for the things YOU do or fail to do. What others do or do not do is of little importance in determining whether you have accepted your responsibilities as a student citizen of Jefferson Middle School. If you choose to follow bad examples set by a few students, you will be held responsible for your actions and your actions only. **The decision will be yours, and so will the consequences.** Your first responsibility, then, is to decide how you should conduct yourself while you are at school. Your second responsibility is to be prepared to accept the consequences of your actions. If you encounter problems dealing with other students, it is recommended that you tell a teacher, school counselor, or principal.

ATTENDANCE (Board Policy 6.200 & 6.204)

Regular attendance is important for the establishment of a good scholastic record. Work missed during absences is difficult to make up. There is no substitute for actual participation in daily classroom discussion and work. All missed class work or tests (whether excused or unexcused absence) may be made up, provided the student makes the request immediately upon returning to school and provided class time is not taken from other students. Students will have one day for each day missed to make up work due to an absence. NO student is allowed a certain number of days to be absent from school.

Students are required by law to attend school **regularly and on time**. The Tennessee Compulsory School Attendance Law requires that each child in Tennessee must attend school between the ages of five and eighteen or until he/she has a diploma.

These facts are given so that parents/guardians and students will fully understand their responsibilities in meeting these requirements. The law requires that school officials report to the court any parent, guardian, or other person in parental relationship with children who are unlawfully absent from school for an extended period of time during the school year. The parent, guardian, or other person having charge and control of a child is held strictly responsible for the child's school attendance. Penalty is provided for those parents or guardians who fail to observe the law.

<p>There are 8 legal reasons for excusing a student from school attendance:</p> <ol style="list-style-type: none"> 1. Personal illness (a physician's statement is required) 2. Death in the family 3. Legal or court appearance 4. Religious observances (student must regularly attend the congregation) 5. Doctor's Appointment 6. Circumstances which in the judgment of the principal create emergencies over which the student has no control 7. One day is provided for students, if their parent or custodian is deployed or returns from service. 8. School approved trips <p>To be counted present for a school day, a student must attend at least 3 ½ hours.</p>	<p>DAILY BELL SCHEDULE</p> <table border="0"> <tr><td>Breakfast</td><td>7:30 - 7:54</td></tr> <tr><td>Morning Locker Break</td><td>7:54 - 8:00</td></tr> <tr><td>First Period</td><td>8:00 - 9:03 (HR 8:00-8:10)</td></tr> <tr><td>Second Period</td><td>9:07 - 10:10</td></tr> <tr><td>Third Period</td><td>10:14 - 11:17</td></tr> <tr><td>Fourth Period</td><td>11:21 - 12:50 (Lunch)</td></tr> <tr><td>Fifth Period</td><td>12:54 - 1:57</td></tr> <tr><td>Sixth Period</td><td>2:01 - 3:05</td></tr> </table> <p>SPECIAL BELL SCHEDULES CAN BE FOUND ON OUR WEBSITE AT:</p> <p align="center">http://jms.ic-schools.net/</p>	Breakfast	7:30 - 7:54	Morning Locker Break	7:54 - 8:00	First Period	8:00 - 9:03 (HR 8:00-8:10)	Second Period	9:07 - 10:10	Third Period	10:14 - 11:17	Fourth Period	11:21 - 12:50 (Lunch)	Fifth Period	12:54 - 1:57	Sixth Period	2:01 - 3:05

EXCUSED ABSENCES

If a student is absent from school for any of the reasons listed above, the student must bring in appropriate documentation to the office or his/her homeroom teacher. The home or business telephone number should also be included. At 10 unexcused absences, a student is considered truant.

EXCESSIVE ABSENTEEISM

Truancy is defined as an absence for an entire school day, a major portion of the school day or the major portion of any class or activity during the school day without an excusable reason.

ARRIVAL AND DEPARTURE

Students may arrive as early as 7:15 A.M. and will be supervised in the gymnasium. Students may not go to the classroom/lockers without a pass until they are dismissed. At 3:05, after announcements, students will be dismissed for buses, town students, and cafeteria. Town students should be dropped off and picked up at the side of the school near the gymnasium. Afternoon car riders should be picked up promptly. All second load high school bus students and sport team members will promptly report to the cafeteria and remain there until buses or coaches come to get them. No students should be in any other part of the school at this time unless prior written permission is given.

DISMISSALS (Board Policy 6.208)

Dismissals during the school day are discouraged. Dismissals may be granted for doctor appointments, court appearances, funerals, or school service activities. Dismissal for reasons other than those listed will be handled individually by the administration. A parent or guardian **MUST** sign the student out at the front desk. Students being dismissed will be called to the office. Students should not come to the office and wait for someone to pick them up. **NO DISMISSALS WILL BE MADE BY TELEPHONE.**

TARDY TO SCHOOL

Students are tardy to school if they are not in class when the tardy bell rings. Students arriving after the tardy bell rings at 8:00 A.M. must receive a tardy slip from the main office before going to class. These students will receive a minor level 1 write-up. Please remember 5 level 1 write-ups equals an office referral.

TARDY TO CLASS

If delayed by a teacher, ask for a pass from the teacher for your next class. The office will give you a tardy slip **ONLY** if someone in the office is responsible for the tardiness. Otherwise, failure to arrive in class on time is an unexcused tardy and will result in a minor level 1 write-up. Remember 5 level 1 write-ups equals an office referral.

CLUBS, ACTIVITIES, AND SPORTS

Students are encouraged to participate in a variety of extracurricular activities including clubs, competition teams, special event groups, and sports. To qualify for these activities, students must maintain acceptable behavior and passing grades. All students are expected to exhibit responsible behavior if they participate in any school activity. All clubs, activities and sports have minimum requirements for participation.

Students are encouraged to participate in one or more sports. All students are given equal opportunity to participate through tryouts. Team membership one year does not guarantee membership the next year. The following sports programs are offered at Jefferson Middle School: basketball, baseball, softball, soccer cheer, cross country, dance, football, golf, track, volleyball, and wrestling.

COMMUNICATION BETWEEN SCHOOL AND HOME

In order to meet the needs of our students as fully as possible, it is essential that the home and the school make every effort to communicate openly and frequently. At the school, we shall endeavor to meet this need through mid-term progress reports, report cards, formal parent-teacher conferences, open houses, newsletters, e-mail messages, and phone calls. You will also find lots of school information on our school website at: <http://jc-schools.net/jms/>

Jefferson Middle School will use One Call, an automated phone service, to notify parents and students of school closings and/or special events.

It is equally important that parents keep teachers informed of any developments that might influence the student's performance at school. If, as parents, you are uncertain of anything, please do not hesitate to contact the school.

DISCIPLINE PROCEDURES (Board Policy 6.302, 6.306, 6.313 & 6.316)

ASSERTIVE DISCIPLINE PLAN

EXPLANATION OF PROCESS

The PURPOSE of this plan is to establish a clear and consistent hierarchy of consequences to enable the administration to deal promptly and fairly with students who violate school rules. It is also the purpose of this discipline plan to establish a safe and orderly school environment in which the rights of all students are protected and the efforts of the teachers to maintain order and teach students are supported. The principals, teachers, and staff reserve the right to determine whether or not a student's behavior is inappropriate. The hierarchy of consequences ranges from the less severe to the more severe, ultimately reaching the point where expulsion is recommended. See the JMS Discipline Flow Chart.

CLASSROOM-LEVEL DISCIPLINE (Classroom Managed – Minor Level 1)

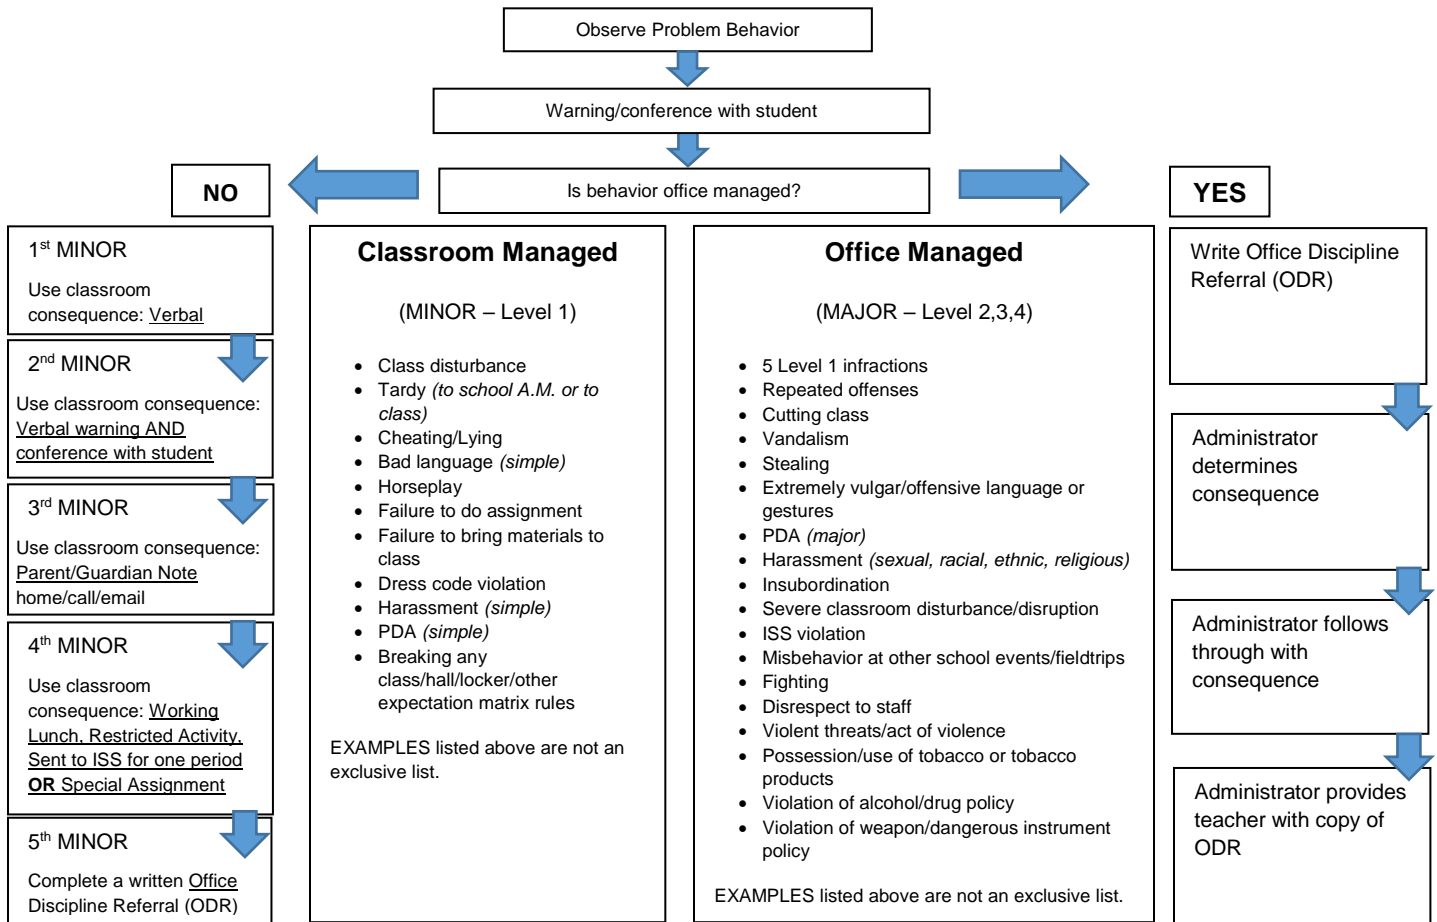

To protect the learning of all students, each teacher shall have the right to discipline students according to the JMS discipline plan. The student will receive the consequences outlined in the Discipline Flow Chart. Classroom Managed – Minor Level 1 write-ups start over at the beginning of each nine weeks.

A teacher may refer a student to the office automatically if the student commits a severe classroom disruption (e.g., overt refusal to obey, severe disrespect, fighting, vandalism, or any other action which prevents the class from functioning).

ADMINISTRATIVE-LEVEL DISCIPLINE (Office Managed – Major Levels 2, 3, 4)

Administrative discipline occurs because of an accumulation of classroom write-ups or because of a severe disruption to the school process. Administrative discipline generally follows a hierarchy of consequences, but the administration reserves the right to choose the consequence. Consequences of the assertive discipline plan are listed in the JMS Discipline Flow Chart. Disciplinary plans written in a student's I.E.P. will take precedence over the normal Assertive Discipline Plan. Administrative discipline accumulates for the entire school year. Consequences of disciplinary actions that cannot be served at the end of a school year due to time constraints will be carried over to the beginning of the next year.

JEFFERSON MIDDLE SCHOOL: DISCIPLINE FLOW CHART

WORKING LUNCH FOR STUDENTS

Homework is often a necessary extension of classroom learning. Teachers may give assignments for a variety of purposes and students are expected to bring homework assignments back to class according to the due date given by the teacher. Effort is required. After 6 Working Lunch tickets have been issued = ISS for 2 days.

Students who do not complete assignments may be assigned to Working Lunch until the assignment is turned in. After 2 Working Lunch visits for the same assignment, students will be given a zero. After 3 Working Lunch visits during any nine weeks, students will not be allowed to participate in the 9-weeks reward (which includes field trips). After 6 Working Lunch visits in a semester, students will not be allowed to attend rewards, field trips, AND they will receive an office referral. Additionally, students who do not show up to an assigned Working Lunch or who do not bring back signed Working Lunch forms will receive disciplinary action.

Working Lunch will be in room 121 every day during all lunch times. Students will be required to attend Working Lunch if one of the following occurs:

- Homework is not completed.
- A teacher desires to use at the 4th class level write-up consequence.

Teachers will complete the Working Lunch triplicate ticket.

- Student will be given a copy and must report to room 121 at their designated lunch time. **Student must have their copy of ticket signed.**
- Teacher will also send a copy of ticket to room 121 for Working Lunch records.
- Teacher will retain a copy for their records in their Discipline Book.

SPECIFIC DISCIPLINE POLICIES

In addition to the penalties listed below, each violation will be added as a step on the Assertive Discipline Plan.

ALCOHOL POLICY

Students will not possess, distribute, consume, or be under the influence of alcoholic beverages, in school buildings, school grounds, in school vehicles or buses, or at any school sponsored activity at any time, whether on or off school grounds. Upon information that a student is suspected of violating this policy, the principal of the school shall be notified immediately. If it is determined that board policy has indeed been violated, the principal shall notify the student's parent or guardian and the appropriate law enforcement officials. The penalty for first offense violations of the alcohol policy will be to remand the student to Jefferson Academy until such time he/she successfully completes the Academy's instructional and behavioral programs. During the suspension period, the student should implement and complete an alcohol education program that would include the effects and consequences of alcohol use on personal health and safety. (Program to be approved by Jefferson Academy). **NOTE: Parent/student will be responsible if any expense is incurred for the alcohol education services.** If a student violates the alcohol policy a second time, he will be subject to expulsion from the school system for a minimum of one (1) calendar year from the date of infraction (**Policy 6.307**).

ASSAULT POLICY (Board Policy 6.309)

Any physical assault by a student on an employee of the Jefferson County Board of Education shall result in expulsion for one (1) year, with possible petition to court. According to T.C.A. 49-6-4301, any teacher observing or having knowledge of an assault and battery or vandalism which endangers life, health, or safety which is committed by a student on school property is to report the action immediately to the principal of the school. The principal having knowledge of an assault and battery or vandalism endangering life, health, or safety committed by a student on school property or who receives a report of such action is to report such action immediately to the local Police Department or the Sheriff's Department.

BUS CONDUCT POLICY (Board Policy 6.308)

Bus service is an extension of the classroom. Therefore, the board expects students to conduct themselves on the bus in a manner consistent with the established standards for classroom behavior. Students are under the supervision and control of the bus driver while on his/her bus and all reasonable directions to be followed. Students shall remain well back from the roadway while awaiting the bus. Pupils shall enter the bus in an orderly fashion and go directly to a seat and remain seated until the destination is reached. Students shall keep their hands, arms, and heads inside the bus. All articles such as athletic equipment, books, musical instruments, etc., must be kept out of the aisle. The emergency door must be used for emergencies only. Students who must cross the street at a bus stop shall wait until they receive a signal from the bus driver. When students must cross a street upon entering or leaving the bus, it shall always be done in front of the bus far enough in front of the bus so that the driver may adequately observe them. This means that students shall be able to see the face of the bus driver. The driver shall hold his bus with warning lights flashing until the crossing has been completed. In the afternoon, any student who desires to get off the bus at any location between the school and the pick-up point must present the bus driver with a note granting permission from his/her parent/guardian and approval by the principal or designee (signature required) of the school that the student attends. Any student wishing to ride a bus other than his/her designated bus must have written parental/guardian permission with approval by the principal or designee (signature required). Transient students shall be expected to abide by the discipline policies adopted by the Jefferson County Board of Education and rules adopted by the staff of their terminal school. The principal of the student transported shall be informed by the bus driver of any serious discipline problem and may be called upon to assist if necessary. Students are not permitted to sell food products on school buses. The teacher(s) and students on field trips are responsible for cleaning up all waste. A student may be denied the privilege of riding the bus if determined by the principal that his/her behavior is such as to cause disruption on the bus, or when he/she disobeys state or local rules and regulations pertaining to pupil transportation (**Policy 6.308**).

DISCRIMINATION/HARASSMENT AND BULLYING/INTIMIDATION/CYBER BULLYING (Board Policy 6.304)

Discrimination/Harassment (Sexual, Racial, Ethnic, Religious, Disability)

Students shall be provided a learning environment free from sexual, racial, ethnic and religious and/or disability discrimination/harassment. It shall be a violation of this policy for any employee or any student to discriminate against or harass a student through disparaging conduct or communication that is related to a disability or is sexual, racial, ethnic or religious in nature.

The following guidelines are set forth to protect students from discrimination/harassment. Student discrimination/harassment will not be tolerated. Discrimination/harassment is defined as conduct, advances, gestures or words, either written or spoken, of a sexual, racial, ethnic, or religious and/or disability nature which:
