Jefferson Middle School Parents/Guardians:

We are pleased to announce the rollout of a district-wide 1:1 initiative for the 2018-19 school year! A laptop computer will be assigned to all students in grades 6-12 for use at school and at home.

There are several requirements that must be completed before your child can receive his/her laptop:

- Parents must view a short video about the rollout and the expectations. This can be found at www.jc-schools.net.
- Parent/Guardian Terms of Use and Protection Plan Agreement must be reviewed, completed, and signed by parents/guardians.
- Student Best Practices Agreement must be reviewed by student and parents and signed by the student.
- **OPTIONAL:** Protection Plan (\$30) can be purchased with cash or check. Please pay this **SEPARATELY** from other money sent to the school.

There are **TWO** ways you can complete this process:

1. On your own at home. Please watch the video and send the completed packet, along with the optional protection plan fee, to school with your child.

OR

2. You may attend an event at Jefferson Middle School on one of the dates listed below. At this event you can view the video, turn in paperwork, pay the optional protection plan fee, and ask questions.

Please keep the packet together when turning it in.
