Family Engagement Compact
2017-2018

It is our goal to work closely with parents to ensure that your child is provided the best education possible. Students will accomplish all that they are capable of when there is strong support at home and a close partnership with the school. In order to achieve this, the home and school must recognize and agree upon the responsibilities of each party in the learning process.

As a **student**, I will be responsible for...

1. Showing respect and cooperation with all adults at school.
2. Being on time and attending school regularly.
3. Respecting the rights of others to learn without distraction or disruption.
4. Completing all assignments to the best of my ability.
5. Spending quiet time at home daily studying or reading.

Working together for our children's education

As a **parent**, I will be responsible for...

1. Providing adequate food and rest so that my child is ready to learn.
2. Seeing that my child is punctual and attends school regularly.
3. Providing a time and place each evening for quiet study and reading without TV or other electronic devices.
4. Encouraging my child and being available for questions or help.
5. Staying aware of what my child is learning.
6. Reading with my child and letting my child read to me.
7. Meeting with my child's teacher to discuss my child's needs and performance in school.

As **teachers**, we will be responsible for...

1. Providing high quality curriculum and instruction in a supportive and effective learning environment that will help students to meet the state's student academic standards as they enjoy learning.
2. Encouraging students and parents by supplying frequent evaluations of student's achievement on Progress Reports and Parent/Teacher Conferences.
3. Explaining requirements such as the School-Parent Compact as part of the Parent Involvement Policy at the Annual Meeting, etc.
4. Being accessible for Parent Conferences, parent observations in the classroom, messages, opportunities for parents to volunteer, etc.
5. Providing assistance and support for parents to tutor at home.
6. Provide students and parents multiple forms of feedback in a timely manner.
