

Summer Reading Assignment Statement of Academic Integrity

This statement and your signature must accompany your Summer Reading Assignment in order to receive credit.

I hereby declare that the work that I am submitting for my Summer Reading Assignment will be my own work and that it is original and timely (not a previous submission for another class.)

I understand the following definition of plagiarism:

"Plagiarism occurs when a writer deliberately uses someone else's language, ideas, or other original (not common-knowledge) material without acknowledging its source. This definition applies to texts published in print or on-line, to manuscripts, and to the work of other student writers. (from the Council of Writing Program Administrators, <http://wpacouncil.org/positions/WPAplagiarism.pdf>.)

I understand that I am not allowed to use or copy summaries of books, from any sources, and submit as my own work.

I understand that any words or ideas that I use from other sources will be properly documented and cited (MLA).

I understand that sharing my own work with other students for this summer assignment constitutes plagiarism.

I understand that I may be asked to further elaborate on the summer's reading assignment in order to receive full credit.

I understand that ANY instance of plagiarism will result in a permanent schedule change and that I may be subject to additional disciplinary actions.
